

## John Holmes Highlights

**Introduction To Agriculture**  
 For the first time at John A. Holmes High School, freshmen boys are given the opportunity to take an introductory course in agriculture. Agriculture I emphasizes agricultural mechanics which includes all the unspecialized mechanical activities for the home, the farm, or the agriculturally oriented business.

**Aptitude Test**  
 Next week seniors hope the opportunity to take the Armed Forces Aptitude Test. A student does not have to plan to enter military service to take this test. It will point out personal aptitudes for future educational and vocational planning.

**College Day**  
 Monday's College and Career Day was successful largely through the efforts of Mrs. Lane Kinion, guidance counselor, who prepared instructional materials for the students to study prior to the occasion. Representatives from various colleges and universities assembled to give prospective students an opportunity to make inquiries about their institutions.

**Speech Contest**  
 "Freedom—Our Heritage" is the theme of the Voice of Democracy speech contest for students in grades 10 through 12. The Edenton VFW is the local sponsor. Speeches will be taped at radio station WCDJ before the judging in December.

**Glee Club**  
 We are very pleased with the arrival of Steve Johnson who is helping to organize our Glee Club. He is a music major now attending COA for extra credits before his enrollment in Berklee School of Music in Boston.

**Projection**  
 Next week we will have a further report on the Holmes FFA, some innovations in two sports and the achievements in our art department. Watch for it!

**CADETTE TROOP NEWS**  
 By Maru Ambura  
 The Cadettes met Tuesday, October 20. We discussed plans for a "Paper Bag Luncheon" for the leaders. We also discussed plans for a Christmas weekend in Williamsburg, Va. Afterwards we went into separate patrols and worked on badges.

**New Lounge**  
 Girls' basketball coach, Miss Sandy Barnhill, has recently created a lounge for the girls' basketball team. Along with the gym assistants, Coach Barnhill divided one of the dressing rooms by a partition, placing couches and colorful decor in the lounge section.

**Mat 2F**  
**THEIR MOTORS ARE RUNNING.** Ann-Margret and Joe Namath ride and romance in "C.C. and Company," offbeat motorcycle saga opening . . . at the . . . Theatre. In color, the Joseph E. Levine presentation is a Rogellan Production, released through Avco Embassy Pictures, Taylor Wed. thru Sat.
