

Greene Serves In Guam Command

U. S. AIR FORCES, Guam—Tech. Sgt. Dan J. Greene, son of Mr. and Mrs. Tom A. Greene, Route 1, Sunbury, N. C., has been recognized for helping his former unit earn the U. S. Air Force Outstanding Unit Award with the combat "V" device for valor.

Sgt. Greene was a member of the Strategic Air Command's (SAC) 3rd Air Division (now Eighth Air Force) headquartered at Andersen AFB, Guam.

The sergeant, now an aircraft maintenance technician with the 43rd Strategic Wing at Andersen, will wear the award ribbon with "B" device as a permanent decoration.

The division, which was inactivated March 31 and replaced by Eighth Air Force, was cited for exceptionally meritorious service in support of military operations in Southeast Asia from March 2, 1969, to March 31, 1970.

Eighth Air Force, the famed bomber command that waged the air offensive against Nazi Germany in World War II, is a major component of SAC. The Eighth conducts all SAC operations in Southeast Asia and the Western Pacific.

Sgt. Greene is a 1951 graduate of Sunbury High School. His wife, Shilby, is the daughter of Mr. and Mrs. R. V. Ward, Route 1, Tyner.

ADAM KEITH BELCH

Mr. and Mrs. E. L. Belch, Jr., of Virginia Beach, Va., announce the birth of a son, Adam Keith at DePaul Hospital on December 15. Mrs. Belch is the former Joan Adams.

The myth of human equality fools nobody but those who yearn to be fooled.

An executive is one who can do more in a pinch than anybody else thinks he can.

LOCAL TRAVEL AGENCIES BOOK FISHING WEEKENDS

The objective in fishing, a sage once observed, is not angling but catching.

To help fishing fans catch their share of fun and sun, local travel agents have a new angle: Autumn Weekender vacations to tropical waters.

Low, off season rates apply to the special fishing packages—four days and three nights in Florida, the Bahamas or the Caribbean.

These areas offer outstanding reef and deep sea fishing for more than 600 varieties of game fish.

Charter boats, providing bait and tackle, are included in a number of special fishing package tours such as the Autumn Weekender series offered by Eastern Airlines.

SUNDAY SCHOOL LESSON

Continued from Page 4

fleeing, precious commodity—time.

Let us now, as we approach the coming year, that we will not leave the things undone that we have this past year. Let us be of stout heart in the face of adversity; let us be attuned to the needs of others less fortunate than we; let us be tolerant of our fellow men, slow to anger and swift to praise and encourage. Let us make sure that when the next new year comes along we will have grown in Christ and in His service.

Snappy remarks are often senseless utterances.

March Of Dimes Leader Selected

Warren Cramm of Edenton has been named campaign director for the 1971 March of Dimes drive against birth defects in Chowan County. Announcement of the appointment was made recently.

Golf champion Arnold Palmer is this year's honorary national chairman of the campaign.

Cramm will direct the annual fund-raising appeal held in Chowan County from January 2 through January 31.

For more than a decade the March of Dimes has led the fight to prevent birth defects. To achieve this goal, it helps support a nationwide network of more than 100 birth defects centers; programs of professional and public health education, and community service.

In discussing the campaign, Cramm said, "It is a great pleasure to work on a team headed by Palmer. There is equal satisfaction in knowing that contributions raised here in Chowan County will also benefit the Birth Defects Treatment Center at Chapel Hill, and the Birth Defects Evaluation Center at Morganton.

Cramm and his wife, Pat, reside in Edenton. He is the assistant manager of Atlantic Credit Company of Edenton.

Active in community affairs, Cramm is a member of the Edenton Jaycees and the Edenton auxiliary police. He served with the U. S. Marine Corps from 1964 to 1967.

Q. I know a veteran who was discharged with service-connected disabilities that left him totally disabled. What is the deadline for converting his SGLI policy?

A. He has up to one year after discharge to apply for conversion to a commercial policy if he remains totally disabled.
