

## Lassiter Takes ASCD Post

Don Lassiter, director of instruction for Edenton-Chowan Schools has been elected vice president and president-elect for the N. C. Association for Supervision and Curriculum Development (ASCD). He will assume the vice presidential duties of office on July 1 and will automatically become president on July 1, 1977.

ASCD, a division of N. C. Association of Educators and an affiliate of the National ASCD, is comprised of supervisors,

directors of instruction, principals, superintendents, and any other member of NCAE with special interest on student curriculum. Present North Carolina membership is approximately 785.

Although ASCD deals with some member welfare topics, the organization's main stress is on curriculum study. Each year the ASCD sponsors a major curriculum project, often staff development experiences for interested members.

As vice president and president-elect, Lassiter will preside over the 1977 Annual Study Conference. Because nationally known consultants are desired to appear on the program for the study conference, Lassiter is already planning for the event.

As an ASCD member, Lassiter served on the board of directors from 1973-75, was treasurer in 73-74 and treasurer in 74-75. This year he is one of three ASCD members who will act as a representative to the NCAE's administrator's caucus.

Mrs. Jim P. Partin served as mistress of ceremony. The bridal party and out-of-town guests were entertained at an after-rehearsal party on March 5 by the bride's parents in the home of Mr. and Mrs. Bateman, Sr.

## Tax Refunds Are Larger

GREENSBORO — The average Federal tax refund to North Carolinians this year indicates an increase of about 14 per cent over last year at this time.

However, the volume of individual returns received through February 22 reveals more than 80,000 fewer returns had been filed. For the 688,540 returns received, almost 240,000 have been processed for refunds totalling more than \$84-million, an average of \$350. The bulk of returns filed are on the "short form", 1040A, IRS says. Congress increased the standard deduction for the 1975 tax year, enabling more taxpayers to use the short form, rather than the long form and itemizing deductions.

## The Bandon Notebook

By Louise D. Waters  
If the saying the month of March comes in like a lamb it will go out like a lion is true, then we are sure in for some different weather than what we have been having. The beautiful Spring flowers and trees blooming really makes a person want to stay outside and enjoy the beauty of our country.

The Sunday School lesson was taught by "Butch" Smith with the topic being "Jesus Demonstrates Total Commitment." Scripture was verses from Matthew Chapter 19 and 20. He brought the subject out very clearly and asked: What are our commitments to God? It involves much more than a ritual act of Sunday worship. Mrs. Garris Perry (Betty) teacher in children's department, had as her topic "Pledging Our Allegiance" with scripture taken from 1 Kings Chapter 18. Betty had 16 children in her department Sunday morning, they are about to out number the Adults "a little child shall lead them". Tom Dilday Sunday School superintendent welcomed everyone. The prayer list for the sick included Torrence Barden, Junita Elliott, and Annie Cooke. We prayed for our missionaries Nita Prode and David Smith and family. Sympathy is extended to Mr. and Mrs. Clarence Barnes and family in the death of their daughter-in-law Jane Barnes. Mr. and Mrs. Frank Lawrence of Portsmouth Va. was a guest of Mr. and Mrs. "Butch" Smith were first time visitors at Bandon Chapel.

The ladies of (BDCWG) Bandon Chapel Woman's Guild which Mrs. Douglas Tise (Evelyn) is the leader enjoy a day of get-together every Thursday in the fellowship hall of the chapel. Each brings their sandwich and coffee is served. Once a month a birthday cake and ice cream, is served to the members having a birthday in that month. The Guild is active and interested in various activities and make many donations to needy causes. The project going now is making chicken bread warmers which orders have been received. Come on out you ladies of the area and Rocky Hock section we extend to you a welcome.

Dr. W.J.B. Livingston was back in the pulpit this morning even though he does have a cracked rib. We hope with the help of God, medication and rest you will soon be feeling all right.

Dr. Livingston's topic was "The Good That Evil Can Do" with scripture taken from Mark Chapter 6 verses 14-26. He emphasized that evil can only do good unless you belong to Christ.
