Directors Term This Year's Girl Scout Day Camp Big Success

Girl Scout Day Camping in Edenton was an even bigger success this year than in past years with the Directors coming from Edenton. This year's camp was the third one for Edenton and the first having its own directors.

Girl Scout Council of Greater Tidewater in Norfolk, Va. helped with the funds for the Day Camp along with fees from the individual campers.

Mrs. Phyllis Jordan of Edenton was the director. She is a very hard working leader with two troops, Troop 676 Handicapped Girls and Brownie Troop 767. Mrs. Jordan worked at the Special Handicapped session at Matoka in Suffolk, Va., last year as Unit Leader.

Mrs. Jordan stated about this year's Day Camp, "What can I say but that it was a tremendous success. The girls enjoyed the camp and I enjoyed every moment."

Mrs. Jean McGraw was Assistant Director. She is leader of Junior Troop 737 and is Leadership Training Coordinator for the Edenton Neighborhood.

With two very

experienced leaders working together for success, along with their exchange of ideas, the Day Camp, from the very beginning, had great chances for success.

Mrs. Jordan and Mrs. McGraw provided the leaders with three training sessions, June 3, 10, and 17 for three hours each. The leaders carried out many of the ideas presented in the training sessions during the week of camp.

Leaders for the Brownie Unit, who called themselves the Stars and Stripes Unit,

were Mrs. Cris Bunch, Mrs. Judy Poe, Mrs. Doris Saunders and Mrs. Mary Simpson. The Jazzy Juniors Leaders were Mrs. Norma Dirom, Mrs. Susan Godley and Mrs. Jean McGraw with Mrs. Evelyn Perry, Mrs. Norma Simpson and Mrs. Ruby Bond giving a few hours of service. The Cadettes were led by Mrs. Jordan. We were very fortunate to have Mrs. Doris Saunders, Girl Scout Field Aide from Gates County to participate along with nine girls from her troops. Our camp totaled more than 47

girls. Activities for the week included folk dancing, film watching of the movie, "Free To Be You and Me", singing, knot tying, tent pitching, swimming, cooking out, flag ceremony, crafts; and bug collection in home made sweep nets.

On Thursday, the girls had a full day. The two units had an all camp litter pick up, with the Juniors receiving the award for picking the most litter. Then for the biggest experience at camp something new and exciting for the girls, was an

afternoon of swimming at Arrowhead Beach. All of the arrangements for our swimming experience were made by Mrs. Susan Godley, Edenton's Girl Scout Field Aide. Miss Kathy Wright was the Camp's Senior Life Guard for the day. Accompanying the leaders and the girls were Greater Tidewater Day Camp Coordinator, Mrs. Pat McKinney and Mrs. Mary Ann Moore, Field Director.

After cooking out Thursday afternoon, the leaders took the Juniors and Cadettes on a hike to Colonial Park where the girls played for a while and the leaders rested in the cool breeze. The girls then returned to the football stadium where they spent the night in tents with ghost stories floating through the air.

Friday the Brownies cooked their lunch and brought the close of our Camp, and sadness to the girls eyes because the good times were over. At the closing ceremony a certificate of Appreciation

was given to Bruce McGraw, Principal of Holmes High School for all of the cooperation shown by him and his staff. A special thank you goes to Mr. Herman Jernigan for the work he did in making the camp area comfortable.

Mrs. Evelyn Perry, our Neighborhood Chairman, was also given a Certificate of Appreciation. Miss Kathy Wright was given a day camp Staff shirt and patch for her services. Each leader was given a key ring with her initial on it. Each girl received a Mini Day Camp Patch, her own bag of goodies and a map and compass donated by Belk Tyler Store. To end the ceremony the girls were cooled off with popsicles from Coble Dairy.

A special thanks goes to the many people and businesses in Edenton and Chowan County who donated materials and supplies for this day camp. It is this spirit of cooperation that has kept Girl Scouting in Edenton alive and well.

Sickle Cell Services Cut Statewide

RALEIGH—The Sickle Cell Program can no longer fund medical services for patients with sickle cell disease. This measure, effective July 1, is part of statewide cutbacks in spending.

Included in the services being eliminated are inpatient and outpatient hospitalization, physician and dental services, drugs and appliances.

The program will continue to provide education, testing, screening, counseling, referral and follow-up services. These services are provided by local health departments, funded sickle cell projects and the Division of Health Services' Regional Office Staff.

According to T. B. Haynes, program manager of the Sickle Cell Syndrome Program, efforts are underway to replace budget reductions with aid from both other state and private agencies.
