Unfortunately I am not a subscriber to that rag which you probably refer to as a newspaper. I say unfortunate because, after reading your editorial on the CF Industries letter, if I were a subscriber there is a particular place I would like to have you put the paper for the duration of my subscription.

Now, speaking of hog wash, since you don't think there are any friends of the Chowan in Tunis, Chicago or Raleigh, then maybe your type of friends would be those environmentalists in this general area who saw fit last winter to throw dead hogs in Wiccacon Creek, just up stream from where it flows into the river.
