

FUND LANDSCAPING—Ryland Ruritans provided nearly all the funds for the White Oak Beautification Project which was recently completed. The project was part of a long-range plan developed by the U. S. Soil Conservation Service office in Chowan County. Above left is a photo of White Oak School taken before the project began, and at right, is a portion of the school after landscaping was completed.

Service Watchword Of Ryland Ruritans

Whether it is helping a family with unexpected medical bills, assisting worthwhile organizations like rescue squads or volunteer fire departments, or giving assistance to special projects of local schools, "service" is the watchword of the Ryland Ruritan Club.

The reputation of the Ryland Ruritans' fabled barbecued chicken has spread throughout the Albemarle Area. Not only does the chicken provide enjoyment for those who buy the plates, but the profits from the sales are earmarked for service projects throughout the community.

During the spring of 1976,

White Oak Elementary School was a primary beneficiary of the Ryland Club's financial support. Growing out of planning over a period of months was a contribution of \$435 to fund all but a small portion of a landscaping project for the front of the school. Over two dozen small hollies and liriopie, a ground cover, were planted around the front yard. Leary Plant Farm of Edenton, low bidder for the project, was awarded the contract.

The White Oak landscaping project is part of a long-range landscaping plan developed for the school in

1974 by the Chowan County branch of the U. S. Soil Conservation Service represented by Stanton Harrell, soil conservation technician.

Additional emphasis was placed on the importance of landscaping as White Oak participated in the N. C. School Beautification Contest. High utility coupled with low maintenance has been an emphasis of the program.

Lester Copeland and Dorus Copeland, project co-chairmen, worked closely with the school during the development of plans for landscaping and were instrumental in selling the project to their fellow Ruritans.

Therefore, in the future, as you buy your barbecue chicken plate tickets from Ryland Ruritans, remember that you're not only in for an appetizing meal, but you are supporting a worthwhile community service project.

Bandon Notebook

How can one live without believing in God and prayer? As we sat in Bandon Chapel Sunday morning and listened to the inspiring lesson that William F. Smith (Butch) taught his subject "The Bible And Social Action". We thank God for you Butch and your time and talents that you share with us.

Tom Dilday welcomed every one at Bandon Chapel and the first time visitor were Mrs. Pearl Stone and Mrs. Marie Woolard from Newport News, Va. also Mr. and Mrs. Gene White from Bell Gardens, Calif. who were guest of Dr. Bill Livingston, they were members of Dr. Livingston's church when he was pastor in Logan, West Va. We hope you all enjoyed Bandon Chapel and welcome back anytime.

Mrs. Hilda Strickland played the piano for Sunday School and Butch Smith played the organ for church services.

Dr. W. J. B. Livinsston really preached a sermon Sunday morning as one would say 'he told it like it is'. His subject: "How To Promote A Revival."

Mr. Jack Evans is the leader of the song services and sang a beautiful solo Sunday night.

If you live in the area and do not come out to this service you are really missing some inspiring and touching sermons.

Mrs. Betty Perry teaches the lesson "Worshiping With Others".

Last Tuesday evening a lecture was given by Bill Koraska on how to deal with drugs and alcoholism. Bill teaches at Portsmouth Naval Hospital on this subject. We should all be interested since this could

happen to you or any member of your family or friend.

Each night this week Rev. Larry McClure will be bringing the sermon each evening. We at Bandon Chapel have been praying for this revival for God if it is His will to fill up every pew in the chapel and Sunday night there were just a few vacant seats.

Mrs. Margaret Bunting is improving in Norfolk General Hospital room A505. M. E. Nelson is still in intensive care in Albemarle Hospital, Elizabeth City also improving. Mrs. Rose Gentry, Portsmouth General Hospital is improving after surgery. Mr. Edward Terle in Chowan Hospital Room 2065. Let's remember all of these in prayer.

Sympathy is extended to the family of Mr. and Mrs. Leonard B. Karaska in the death of Mrs. Koraska, Aunt Mrs. Lyle Krezel in Toledo, Ohio. Also sympathy goes to Mr. and Mrs. J. W. Lassiter in the death of Mrs. Lassiter's father Mr. J. A. Mann of Suffolk, Va. Mr. and Mrs. Jackson Strickland and Mr. and Mrs. Douglas Tise of Arrowhead Beach attended this funeral on Monday.

The beautiful flowers in the chapel this week were given by Norma and Gene White in honor of Dr. Bill and Sarah Livingston with thanks and love.

Woman's Guild will meet Thursday from 11 to 3 P.M. All ladies are invited to attend. Bring a sandwich.

RAISE FUNDS—Ryland Ruritan Club, this week, lauded public support of a benefit supper held for Richard Copeland, a young Chowan County man who is critically ill and currently in N. C. Memorial Hospital in Chapel Hill. The Ruritans raised a total of \$3,231, all of which were given to Copeland. Above right, Linwood Taylor, treasurer, presents the check to Paul Copeland who accepted it in behalf of Richard.
