RCA SALE!

**19-inch diagonal
Color Portable**

- 100% solid state chassis for reliability.
- Super AccuColor black matrix picture tube for brilliant, high-contrast color.
- Automatic Chroma Control stabilizes color intensity for each channel.

SPECIAL ONLY \$429

**Deluxe table model
RCA ColorTrak TV**

Only \$499

- RCA's most automatic TV ever! Electronically tracks and corrects the TV signal before it becomes a picture on your screen.
- Automatic contrast/color "tracking" circuitry ties brightness, contrast and color together so that all three are balanced simultaneously.
 - Automatic color control holds flesh tones and other colors to the settings you select—even when TV signal varies or you change channels.
 - Automatic room light picture control adjusts picture brightness as room light changes.
 - RCA Super AccuFilter black matrix picture tube has filtered color phosphors that absorb room light. Result: colors appear sharper and more vivid.
