have been impressed.

By L. F. Amburn, Jr. In 1970 it was "Impact '76". Today it is "4 Sight". Both were

developed as plans to help Chowan County grow. If the accomplishments of the latter measure up to those of the former, the Chowan County Agricultural Extension Service has a crystal ball par

The new six-year work plan, put together by the county's extension advisory board, was unveiled this morning (Thursday) at a meeting attended by leaders from throughout the community.

#### Superior Court Opens Monday

Judge Bradford Tillery of Wilmington will preside over a criminal term of Chowan County Superior Court which convenes here Monday at 10 A. M.

Asst. Dist. Atty. J. Richard Parker of Elizabeth City will prosecute the docket.

Forty-one cases appear on the calendar recently released by Mrs. Lena M. Leary, court clerk. Included are seven drunk driving cases, two of which involve third offense.

Two defendants-Junius Alexander Cofield and Edward Earl Leary-are charged with speed competition and William Holloman, alias Wolf, faces a charge of selling and delivering marijuana, possession of the drug and receiving stolen goods.

Mrs. John P. Bass and Joe

"The Chowan County Extension Advisory Board feels that the plans thus made have involved all segments of our population," it is stated in the foreward. "This will result in increased agricultural, economic and industrial progress; improved environment and a better quality of life for Chowan County citizens."

next six years is a 9 per cent increase in farm income. Across the state the anticipated increase ranges from 2 per cent in Davie County to 91 per cent in Bertie County, where Perdue Farms is making a significant impact.

Pete Thompson, county extension chairman, said Chowan

Carroll Byrum were co-chairman of the Extension Advisory Board for Chowan County. The board included a cross-section of people in the rural and urban communities. Throughout the state some 10,000 volunteers participated in the development of 100 county plans.

Included in projections for the

In the "Impact '76" plan the Chowan group envisioned establishment of a county-wide water system, a solid waste disposal system, increased farm income and improved family life.

NEW LOOK - Renovations to the Taylor Theater have been completed. Among the many changes is a combination box office and concession stand in the main lobby, as well as new seats carpeting, and wall paper throughout. An open house is scheduled next Friday, one highlights of which will be the showing of "King Kong". John Smith, manager, reported that other special activities may be planned.

## **Power Reduction Ended**

Virginia Electric and Power Company has announced that a 5 per cent voltage reduction instituted January 17 has ended because of milder temperatures, an ease in customer demand and a return to service of major generating facilities.

Stanley Ragone, Vepco executive vice president, urged consumers to continue the conservation of energy and the elimination of non-essential

Ragone said, "We wish to thank all of our customers who voluntarily reduced electric usage over the past week. Vepco was able to maintain service to its customers with a minimum amount of inconvenience through their efforts."

### Child Center Will Close February 25

The Child Development Center at Chowan High School, operated by Chowan County Department of Social Services for the past 16 months, will close permanently February 25 because of lack of participation.

Ronald M. Huffman, DSS director, said the county board had determined that enrollment does not justify the expenditure. Presently there are 13 children participating in the day care program with five staff members.

The program, which includes a transportation element, is funded at the \$62,000 level.

White Huffman pointed out there is a definite need for such a facility in Chowan County, the Title 20 guidelines limited participation by two-income families; therefore the number of children who could be certified was below the level necessary to make the project here feasible.

The peak enrollment was 26 children during the summer months.

The Child Development Center (whose location Huffman said further hampered its success) was started as a joint venture by Albemarle Human Resources Development System and Edenton-Chowan School. With the establishment of the Title 20 program the county welfare department assumed operation of the program in September, 1975.

Huffman said some of the families of children now participating in the program would be inconvenienced. He added that the program has been serving a need but the greatest need for a day care program here is one in which two-income families can participate.

The program was designed to provide quality care for prekindergarten children with working parents. "It has not been a baby-sitting service," he said.

At the same time, he said, the fact that the program has not been able to succeed in Chowan County "has been a great disappointment

#### Listing Deadline

February 3 is the deadline to list your property for taxes without facing a penalty, according to Dallas Jethro, Jr., tax collector.

Tax listing began January 3 and after next Thursday a 10 per cent penalty will be imposed for failure to list.

Jethro said response from property owners had been exceptionally good but warned that the last minute rush produces long lines and period of waiting.

First Township listings, along with Arrowhead Beach, Chowan Beach and Cape Colony is being done in the tax office in the County Office Building. The office is open each day, Monday through Friday from 8 A.M. to 5 P.M. and on Saturday from 8 A.M. until 12-

#### Edenton, North Carolina, Thursday, January 27, 1977. Single Copies 15 Cents. Open House Set

Cape Colony Haven, Inc., will have an open house Sunday from 2 P. M. to 5 P. M. at the newly constructed intermediate care facility located off Paradise Road in Edenton.

THE CHOWAN HERALD

L. F. Amburn, Jr., president, said the public is invited to attend. Light refreshments will be served Speaking for the stockholders,

PTA Conference

The second of three planned Parent-Teacher Conference days

during the 1976-77 school year has been scheduled for Monday. There will be no school for public school students on this date.

Parent Conference days are incorporated into the school calendar each year to give parents a special opportunity for discussing their child's educational programs with teachers and school personnel. This second Parent Conference day follows the end of the system's first semester grading period. A third conference day will be observed in March, mid-way through the second school semester.

Parents are urged to take advantage of this day and schedule appointments with teachers and school personnel, who will observe regular school hours between 8 A.M. and 3:30 P.M., with a 11:30 A.M. - 12,30 P.M. lunch break.

all local businessmen, Amburn said weather conditions have prohibited completion of the exterior of the \$1.4-million project. Exterior painting has not been completed, neither has the landscaping of the seven-acre site and paving.

"The facility will be fully licensed by the State Department of Human Resources and the interior is complete," he said. "The grounds work will be done as quickly as weather permits."

Cape Colony Haven is a 96-bed facility. It has taken more than three years to develop the project. There are two private rooms and the remainder are semi-private.

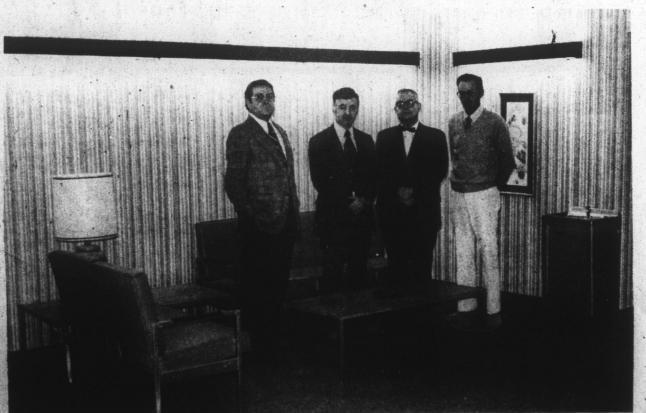

The facility has treatment, isolation, and grooming rooms. Also there is a room of physical therapy.

The core area has a nurses station with a nurse call system to each patient room. At the end of each of the three patient wings is a lounge.

There is a modern, well equipped kitchen which leads into a dining area which includes space for resident activity. The entrance has a cathedral ceiling and is well appointed to provide a home atmosphere.

James E. Lewis is administrator and secretary of the corporation.

In addition to Amburn and Continued On Page 4'

AWAIT OPENING - The stockholders and officers of Cape Colony Haven, Inc., are pictured here in the lobby-activities area of the 96-bed intermediate care facility which opens next week off Paradise Road in Edenton. Pictured here are from left; L. F. Amburn, Jr., president; John F. Habit, vice president; John A. Mitchener, Jr., treasurer; and James E. Lewis, secretaryadministrator. Open house will be observed Sunday from 2 P.M. to 5 P.M.

#### Scouts Award

NORFOLK, Va - Elbert H. Copeland of Edenton, N. C., was among 10 volunteer leaders of the Tidewater Council, Boy Scouts of America, who were presented the coveted Silver Beaver Awards here last week. They were honored at the council's annual recognition

The Silver Beaver Award is the highest given on the local council

Copeland, office manager at Chowan Veneer Company in Edenton, became chairman of Cub Pack 156 in 1958 and has been active in scounting since. He has been a scoutmaster, Explorer Post advisor and since 1969 has been assistant commissioner from the Albemarle District.

He is active in Edenton Baptist Church and is in his fifth term as a deacon. He is a charter member of Edenton Jaycees and has been adviser on scout affairs to the American Legion.

The following is taken from the banquet program:

"Elbert Copeland is an out-

# Copeland

standing example of service to boyhood. He gives of his time and talents freely to better the lives of the youth he continues to serve. His services to community and scouting stand high among his friends and fellow citizens.'

The program was held at Scope and Dr. Daniel W. Duncan was installed as council president.
