

Chalk Oldsmobile Tops Million-Car Barrier

Dust

The time of Thanksgiving is felt just as strongly in 1977 by those connected with Edenton-Chowan Schools as perhaps it was in 1621 when our first American Thanksgiving was held to give thanks to God for the bountiful harvest after the first hard year in the new world.

There have been, and will continue to be, hard years on many fronts, education included. Yet as each Thanksgiving season arrives, the realization of the impart and good influence which students, parents, teachers, administration and community have on each others lives comes to mind. We cannot exist happily alone or without God's encompassing love.

We are thankful for all those whose lives have touched us and whose lives we have touched in the name of education. The rewards are far richer than the effort put forth.

CHALK is thankful for a place to spread its DUST and to those who make it possible. Have a meaningful THANKSGIVING DAY.

Recreation Scoreboard

The women's volleyball season ended last week with Edenton Savings and Loan winning the regular season championship by one game over Hospital. The season will be climaxed by a double elimination tournament to begin this week. The final standings for the season were:

| | W | L |
|------------------------|---|---|
| Edenton Savings & Loan | 9 | 1 |
| Hospital | 8 | 4 |
| Peoples Bank | 4 | 8 |
| Twiddy's Insurance | 3 | 9 |

The final week of men's volleyball is coming to an exciting climax. With just two more days to go, two teams are tied for first place and another team is just one game out. A double elimination tournament will follow the end of the season starting next week. The standings are as follows:

| | W | L |
|----------------|---|----|
| Independents | 8 | 2 |
| Hospital | 8 | 2 |
| National Guard | 7 | 3 |
| Jaycees | 1 | 10 |
| Baptist | 0 | 11 |

Midget Basketball tryouts for children ages 9-12 will begin next Tuesday afternoon, November 29, at 3:10 at the Edenton National Guard Armory. All participants must attend because they will be put on teams and the coaches will start working with the teams. This should be a very exciting season.

LANSING, Mich. — Oldsmobile Division cracked the million-car sales barrier for the first time in history in wrapping up a successful 1977 model year.

Oldsmobile dealers surpassed the milestone mark by delivering 1,007,201 new cars for a strong third place finish in domestic sales during the model year. This tops the previous model year record of 853,793 cars set in 1973 and surpasses

last year's total by 18 percent. The auto industry's model year extends from October 1 through September 30.

Final 1977 model year figures released today also reveal:

1 — Oldsmobile captured the prestigious third place for the third consecutive year, outselling its nearest rival by more than 195,000 cars.

2 — Dealers concluded the model year by selling 78,347

cars during September. This is the second-best September in Olds history, topped only by 83,160 units sold in September, 1973.

3 — Cutlass continued as the most-popular intermediate in the U.S. with a record 554,996 sales to account for 55 percent of the division's total. This is an increase of 14 percent over the 486,845 Cutlasses delivered last model year.

4 — Sales of four other Oldsmobile car lines im-

proved over a year ago. Eighty-Eights climbed 38 per cent; Toronados advanced 29 per cent; Ninety-Eights gained 27 per cent and Omegas are up 2 per cent.

Robert J. Cook, divisional general manager and General Motors vice president, praised Oldsmobile's dealers and employees in achieving the million-car goal.

In looking ahead, Cook said he anticipates the

economy will remain strong and Oldsmobile sales will continue to grow.

Important for Men

As a man grows older, his chances of developing prostate disorders, including cancer, increase. The American Cancer Society advises all men over 50 to have regular checkups, including prostate examinations, to safeguard their health. Your local ACS Unit has more information about prostate cancer.
