"The doors of this Church are as wide as the gates of Heaven and in Christ's name, I bid you welcome", state Dr. W.J.B. Livingston as he opened our Worship Service. He recognized all our first timers including an outstanding delegation from the York County Kiwanis Club, their wives and children, who had driven approx. 80 miles to be our guests. Mr. Harlan W. Gibbens read our scripture, Genesis 1:1-30. Mr. William F. White offered the morning prayer. Mr. John K. Kane II, President of the Club, briefly explained the operation of Kiwanis Clubs throughout the world. Their overall purpose is service to youth, community and nation, and to respond to the changing challenges of today.

Dr. Bill spoke of the historical event taking place today (Nov.20). The first time is known history where a leader of the Egyptians (Anwar Sadat, President of Egypt) met with and Israelie leader (Prime Minister Menahem Begin) in same context of good will, with Sadat speaking for the first time to the Congress of Jews on Peace. He referred us to Isaiah 19:24-25: "In that day shall Israel be the third with Egypt and with Assyria, even a blessing in the midst of the land: Whom the Lord of hosts shall bless, saying, Blessed be Egypt my people, and Assyria the work of my hands, and Israel mine inheritance." He commented that we may be seeing a prophecy being fulfilled.

Dr. Bill's morning message was "The Miracle of Creation". God, Jesus, is the Creator and He does everything well. Man was created in His image - without flaw - but allowed himself to be defiled by disobedience and seperated from God. He can be compared with a pot made by a Potter which develops a crack. The Potter can soften us up and remake us - but - some like the cracks in our "pot". We need to be new creations - we need for Christ to make us new people. II Cor. 5:17 tells us "therefore if any man be in Christ he is a new creation: old things are passed away, behold, all things are become new". John 3:3 tells us "except a man be born again he cannot see the Kingdom of God".

How do we do this? The key word is "repentance". When we make that step of facing up to our responsibilities, the truth about ourselves and say to Jesus "I need your help", then Christ, the master Potter will make us new creations. What happens to people when they become new creations? It's glorious! They blossom, they have a beautiful fragrance about them, they are filled with joy and son! The "new creation" is inventive of good things; has a clean heart; love, forgiveness, joy, peace and harmony. Ask Christ into your life today.

Mrs. Bobbie Jean Holt sang a beautiful solo entitled "Bless This House", accompanied by Mrs. Bonnie Sue Price. Her clear, lucid tones filled the sanctuary with music - the sun highlighted the sacred stained glass window behind the pulpit depicting Jesus in the Garden of Gethsemane. The combination created an atmosphere of worship. As the last brilliant note was sung, the rafters rang and goose bumps popped out on the listeners!

Covered Dish Supper Friday night was sensational! Such good food, fun and fellowship - and - so much of it! Our hosts, Mr. and Mrs. Willie Waters, made it a special occasion for our "birthday folk". Louise baked a gorgeous

birthday cake which had the place of honor on or desert table. After dinner, the cake was lighted, those having birthdays in November called to front, and everyone sang "Happy Birthday" to our friends. Those honored were: Dr. Bill, Willie Waters, Trudy Lapham, Trus Bunting, Clarence Barnes, Kay Christ and Connie Pate. We were entertained by Nad' Miyasato, accompanying himself on the guitar. Jennifer Adcock and Frankie Casper showed us several school cheers. Two young men, Keeny Owens and Keith Wheeler, took pity on the "old folk" - they washed and dried all the dishes! Mark the 3rd Friday of December (16th) on your calendars now so you won't miss out on the fun. Hosts for December will be Mr. and Mrs. H.T. Bunting.

Our deepest sympathy is extended to the family and friends of Mr. Abbie M. Davis who was buried last Tuesday in the Edgewood Cemetery at Windsor. We pray that God will comfort his daughter, Mrs. Rose Gentry, of Arrowhead Beach.

My husband and I were visiting relatives in New Jersey from Nov. 9 thru 14th. When we returned, I learned that my dear friend, Eleanor Jackson had passed away and her funeral had been held on Saturday before we got home. I was heartbroken, until I read a line from one of Helen Steiner Rice's poems. "God comes not too soon or too late". So true. On that Thursday, Nov. 10th, Friend Eleanor F. Jackson's beautiful spirit was freed from her earthly body to be with her Savior in Paradise where there is no pain, suffering or heartache. There she will be wanted, cared for and surrounded by our Savior's love. Friend Eleanor was ready to go. We who knew and loved her mourn for ourselves but praise God, who knows best in all things, that she is now forever free.

### Bumper Sticker Pushes Arts

More than 10,000 bumper stickers declaring "North Carolina is Art Country" will begin decorating Tar Heel automobiles this week.

Beginning November 23, the bumper stickers are available free through local arts councils, members of the N.C. Association of Art Galleries and the affiliate galleries of the N.C. Museum of Art.

The first project of the recently formed Governor's Business Council on the Arts and Humanities, the bumper stickers are sponsored by Wachovia Bank through vice president and business council member Scott Kramer.

The theme is derived from a 1977 summer cover story of Wachovia Magazine on North Carolina artists. "The bumper stickers are another way to emphasize North Carolina as the 'State of the Arts,'" commented Secretary Sara W. Hodgkins of the Department of Cultural Resources. "We are delighted to proclaim to everyone that art is for everyone," she said.
