

# Bandon Notebook By Maggie B.

**IMPORTANT** - **IM**PORTANT! She's at it again! Madalyn Murray O'Hair, whose efforts successfully eliminated Bible reading and prayer from all public schools, now is trying to eliminate proclamation of the Gospel from the airwaves of America! Such audacity! But, that's how old Satan works. She presented a petition with only 27,000 signatures to back her - such a small percentage of the millions of people in this great country of ours! She is trying to violate the civil rights of the majority! Yet, the Federal Communications Commission has granted her a hearing in Washington, D.C. on the subject of Religion and Airways. If her attempt is successful ALL Sunday worship services, gospel singing, or any other religious programs currently being broadcast

either by radio or TV would cease! Consider all the elderly people, shut-ins, at home or in the hospitals, and those recuperating from illness or hospitalization who depend on radio and TV to fulfill their worship needs each week as well as those of us who just plain enjoy a good religious program. The number would be considerably more than those supporting the O'Hair petition.

This time YOU can block her! How? Send a letter NOW in favor of religious broadcasting. Tell them you support these programs and why; and urge them to INSURE THAT SUCH PROGRAMMING CONTINUES. Sign your name, give your address and mail to: Federal Communications Commission; 1919 "M" Street, N.W.; Washington, D.C. 20036.

The Petition No. is R.M. 2493. Put this number on the envelope used to mail your

letter, to the left of the address and underline it. A million signed letters would defeat Mrs. O'Hair and show her there are still many Christians alive and well. She is forgetting that this Nation was founded on religious freedom. If she doesn't care for religious programs, all she has to do is to "turn the dial" and get something more to her liking.

Get your friends and neighbors to also send a letter and pray that our efforts will be successful. This is SO important - don't put it off.

The weather outside was cold! Inside Bandon Chapel, warmth filled the air - one could feel the spirit of friendship and love as Asst. Supt. Wiley Hardison welcomed all who had braved the cold outside to gather together in God's house to be spiritually refueled.

man; Rufus Smithson; Mrs. Mary Leary; our missionaries Nita Pride, the David Smith family and our much loved pastor.

Our Juniors, taught by Mrs. Mary Elizabeth Beach, had as their subject "Courage To Continue", Joshua 10: 1-14. Aim was that the student may develop steadfastness because he knows God is with him.

"Who is the Greatest?", Luke 22: 24-77; Mark 9:33-37, was the topic for our Adults, taught by Wm. F (Butch) Smith. Aim was that adult Christians rededicate themselves to walk in Christ's steps of humble service.

"Happy Birthday" was sung by all in honor of Dr. Bill, Trus Bunting, Jimmy Holloman, and Trudy Lapham as they placed their contributions in our Birthday Bank.

student at Frederick Military Academy (8th grade) and is a contributing reporter on staff of the school paper, "The Lion's Roar". His poem "Thanksgiving" was printed in the November issue of the paper. Share it with me:

Thanksgiving comes at the time of the year When leaves are changing because fall is here, When the pumpkins are ripe, the turkeys are fat, And around the table the whole family has sat. From the kitchen comes the smell of fresh apple pie, When the scent hits our noses we let out with a sigh. We sit at the table with turkey and dressing, Then we all bow our heads for a thankful blessing. During Thanksgiving our families gather together, And I hope this tradition lives on forever.

Choir Director Bonnie Sue Price was ill last Wednesday. Following the service, the choir's "guardian angel", Mrs. Hilda Wisner, played the piano for our rehearsal and did a great job! Thanks, "Angel".

"This is the day the Lord has made and we will rejoice and be glad in it", said Dr. W.J.B. Livingston as he opened our Worship Service. His inspiring message was "Walking With God", Genesis 5: 21-27. Enoch was 65 years old before he became the father of Methuselah. He walked with God 300 years after the birth of Methuselah. He is not famous because he was the father of the oldest recorded longevity- 969 years. He is famous because he was the FIRST person to go to Heaven without physical death. In Heb. 11: 5, we find that "By faith Enoch was taken up so that he should not see death, and he was not found, because God had taken him."

He was famous as a man who "walked with God". This doesn't mean physically walking but a movement toward the way in which we are going - walking with God. Enoch had a way of knowing how to please God. He did not have the Bible as we have. He had the woods, birds, brooks and as he walked, he marvelled at the beauty of the sky, the clouds, the flowers, the stars and he worshipped the God who created all this.

He walked in: 1) Truth and honesty: He hid nothing from God - his life was an open book. We have to open our lives and let God come in, then say "Lord, do what you will". God will lead you to do better things; 2) In the Spirit: The Holy Spirit says He is willing to walk with us; 3) In Love: Walk with love, kindness and consideration for others. Love yourself because God made you; 4) In Wisdom: You may have knowledge and not know what to do with it. Ask God and he will give you wisdom; 5) In Faith: Faith is believing in that which has no substance - in the energy, the power you can't
