## S. S. Questions

By Lee Wallio  
Field Representative

Everyone, regardless of age or place of birth, must now submit evidence of age, identity, and U.S. citizenship or lawful alien admission status when applying for a Social Security number.

These procedures are intended to help protect the applicant's Social Security record, assure that it is complete and accurate, and to prevent anyone else from misusing or abusing the person's Social Security number.

In addition, a person 18 or over who is applying for a number for the first time, must apply in person.

The best evidence of a person's age and U.S. citizenship is a birth certificate. This should be submitted if possible.

Evidence of identity should include documentation which shows the person's picture, signature, date of birth or age, or other identifying information. Applicants not born in the U.S. should submit evidence of their U.S. citizenship of their immigration documents showing they are lawfully admitted to the U.S.

## Two Chowan 4-H'ers Win \$500 Scholarships

Two Chowan County 4-H Club members have been named winners of \$500 educational scholarships from the N.C. 4-H Development Fund.

Sarah Chappell and William Arthur (Bill) Jordan, both of Route 1, Tyner, are two of 12 4-H members from across North Carolina selected to share in \$6,000 of scholarship money being distributed this year by the fund.

Garth H. Quinn, of the Research Triangle Park, president of the fund, says the scholarships are awarded to outstanding 4-H members for college study during the 1978-79 academic year.

The 4-H Development Fund, with headquarters at N.C. State University at Raleigh, was organized in 1958 by friends and alumni of 4-H to help support certain phases of club work.

Sarah and Bill are seniors at Chowan High School.

Bill has been a 4-H member for nine years and has completed 30 projects. He has been a member of a team that won state championship in Forestry and Environmental Quality demonstrations. Carroll Perry was his partner for both of these state championships. Last year they placed second in State America Business System demonstration contest and won a trip to the American Institute of Cooperatives at Texas A&M.

Bill has been president of his community club and secretary of 4-H County Council.

In school he was first team basketball player and pitcher-shortstop on the baseball team. He is president of Chowan's Monogram Club.
