FLYING SAUCERS? — Dr. Wade Jordan grimaces just prior to impact from the flying pie wielded by Student Cathy Gay, as on-lookers enjoy the spring madness at College of The Albemarle. Students relieved mid-quarter tensions by bidding for the privilege of pushing lemon or chocolate meringues into the faces of their favorite faculty and staff members. (COA Photo).

Society Inducts Byrum

RALEIGH — Lillian June Byrum of Edenton, a Meredith College student, was recently inducted into Kappa Nu Sigma, the scholastic honor society at Meredith, at the society's spring banquet.

Meredith students who have maintained a 3.5 average or above over at least three years of work are eligible for membership the organization. Senior members are inducted at the fall meeting, both juniors and seniors at the spring meeting, and other graduating seniors at the

annual meeting during commencement. Twenty-seven members were inducted at the spring banquet.
Miss Byrum is a junior at Meredith and is majoring in psychology. She is the daughter of Mr. and Mrs. George A. Bryum, Route 1, Edenton. She's active in the Meredith chorus, is vice-president of the Astrotekton Service Club and is on the convocation committee at the college.

Commendation Medal Awarded

Navy Senior Chief Yeoman Henry E. Buermeyer Jr., whose wife, Andrea, is the daughter of Norman B. and Maxine R. Bullard, 117 West Church Street, Edenton, was awarded the Navy Commendation Medal.

He was cited for meritorious service from June, to November, 1978, while serving as administrative assistant to the director of the Systems Analysis Division in the Office of the Chief of Naval Operations, Washington, D. C.

The citation accompanying his medal praises Buermeyer for contributing to the numerous functions involved in the preparation and presentation of reviews

conducted to analyze all the Navy programs for the Chief of Naval Operations and Secretary of the Navy.

He is currently serving with the Precommissioning Unit of the submarine USS Dallas, homeported in Groton, Conn.

A 1978 graduate of the State University of New York, Albany, N. Y., with a bachelor of science degree, Buermeyer joined the Navy in September, 1959.

The first vice president of the United States to resign from office was John C. Calhoun in 1832.

YOU GOTTA DRIVE IT. YOU'RE GONNA LOVE IT. THE SMALL CAR JUST GREW UP.

Here's a small car with honest room for five. That's for five full-size adults.

You get room because the engine's been moved forward. It sits sideways. It's a transverse-mounted 4-cylinder, or you have the option of the world's first transverse V6. Both are GM-built by various divisions, and your Olds Dealer has details on sources and availability.

Omega has front-wheel drive. And MacPherson strut suspension. And rack-and-pinion steering. Which help make Omega quick, agile and very smooth on the road.

Omega also has very good mileage for a car this size.

With standard engine and transmission, the EPA estimate is 24 mpg. And the highway estimate is 38 mpg.

Remember, the circled EPA estimate is for comparisons to other cars. Your mileage depends on speed, weather and trip length; your actual highway mileage will probably be lower than the highway estimate.

You have never seen a small car that sits, rides and looks like this one.

The new 1980 Omega.

This is the Oldsmobile of small cars.

So come see it, drive it and love it. The small car just grew up. ☺

THE 1980 OMEGA THE OLDSMOBILE OF SMALL CARS.
