

Letter To The Editor

Dear Editor:
 Thursday, August 16, will be a very important day in the history of Edenton and Chowan County. On that day Edenton will be judged for the Governor's Award of Excellence.

The one thing we need to urge ALL citizens, businesses and local government is the absolute necessity of sprucing up, cleaning up and fixing up your area so the judging team will be as impressed with Edenton's beauty as we are.

If there is one community in North Carolina that deserves the Governor's Award of Excellence, it is our community. Let us all make sure that the justifiable pride we have in Edenton and Chowan County is one display August 16 through your efforts in beautifying our community.

Thank you for your help and cooperation.

Charles A. Creighton,
 President
 Edenton-Chowan Chamber
 Of Commerce

Reunion Is Held

The Chowan High School Class of 1944 held a reunion on July 21 at Jimmy's Restaurant in Sunbury. Nineteen of the classmates and their guests, including one of the class mascots, Wayne Bunch, attended.

It seems the majority of the class had deep roots and settled in Chowan County, Edenton, and the surrounding communities.

The class was welcomed by the class president, Mrs. Ed Ward, the former Beatrice Byrum, preceding a short business meeting.

A dinner was enjoyed by all while renewing old acquaintances and reviewing class history.

Nineteen of the graduating class of twenty-four were present. Among them were: Hattie Ruth Bass Owens, Gerald Blanchard, B. T. Boyd, Jr., Elizabeth Bunch Forehand, Beatrice Byrum Ward, Ester Mae Byrum Byrum, Paul Byrum, Janice Byrum Hobbs, Eula Copeland Harrell, Ruth Evans Nixon, John Eason, Robert Hendrix, Haywood Jordan, Herman Layden, Jr., J. T. Layton, Jr., Celia Rae Nixon Copeland, Evelyn White, Myra White Jordan, and Fred White, Jr.

Everyone had a wonderful time and according to the class president, a decision was made for the class to meet again in three years. Hopefully all class members will be in attendance in '82.

Two Attend Water School

Rodney Dean and Graham Farless of Edenton attended the 40th Annual Water Works Operator's School being held last week at N. C. State University at Raleigh, conducted by the Department of Civil Engineering, School of Engineering and the Division of Continuing Education, with the assistance and sponsorship of the North Carolina Section of the American Water Works Association, N. C. League of Municipalities and the N. C. Department of Human Resources State Board of Health.

The purpose of the school is to improve the general level of water plant operation. The latest developments and sound techniques are taught in classes organized by the North Carolina Water Works Operator's Association to meet the needs of operators at all levels.

Operators who attend this school and pass the examination meet the requirements of the certification law passed by the 1969 General Assembly.
