

Bandon Notebook: Moral Values Decline

By Maggie B.

Hi, Neighbors! Wasn't this a glorious weekend? Everywhere, you could see the glory of God's handiwork. We are so fortunate to be living in America where we are at liberty to express our opinion on any subject without fear and we have perhaps the highest standard of living anywhere in the world. We are free to worship God at the church of our choice, we don't have to go "underground" - that is, right now we don't. But, what is happening to us? We are forgetting the principles on which this country was founded and we are forgetting our Creator. The moral values seem to be declining every day in every way - no one seems to trust our politicians anymore; instead of looking forward to marriage, many men and women today are just "living together", when they tire of that relationship, they move on to other partners; initiative and self-reliance seem to be a thing of the past in many places - they believe the world owes them a living; the homosexuals seem to be coming out of the woodwork claiming equal rights - they see nothing wrong with their mode of life. Everyone seems to be looking for a "hand-out" from the government - but - they haven't stopped to think that whenever they let the government do something for them that they could do for themselves, they lose a portion of their liberty. I could go on and on but the point I want to make is that it is up to us - each of us - to do all we can to get back on the right path. How? Through prayer. God tells us in His Word that if His people get together and come to Him in prayer He will "heal their nation". Our nation needs to be healed! Sunday morning as I was getting ready for Sunday School, I was listening to Jerry Falwell. He requested that everyone set aside from Sundown Saturday, Oct.

15th until Sundown Sunday, Oct. 14th for fasting and praying for our country and its leaders. I think it's a good idea - a little fasting won't hurt any of us and when God's people pray together, miracles do happen.

As each of us go about our "In every life you touch today leave your light still burning; There may be darkness in that life, there may be secret yearning For love, for peace, for strengthening, a need for faith restored, A need for rediscovering the presence of the Lord. So tend your light and keep it bright amid life's constant churning; In every life you touch today, leave your light still burning!"

On this glorious Lord's Day, there was a refreshing "nip" in the air that caused one to hold the head high and breathe in the cool, clean air and thank God for the privilege of gathering together in His House for a spiritual refueling. Sunday School Supt. B. Kent Rowley enthusiastically welcomed those assembled at Bandon Chapel, especially our dear friends, Polly and Stevie Long. He announced that Prayer Meeting will be Tuesday at 7 P.M. in Fellowship Hall, followed by Choir Practice at 8 P.M. The ladies of the Bandon Chapel Women's Guild have voted to continue the 10 A.M. starting time for their meetings on Thursday. October birthdays will be celebrated on Oct. 18th. The Silent Auction will also be held on that date. Book Mobile will be at Bandon on Thursday. Bring your favorite project, lunch and join in this day of fellowship and fun, which is open to all ladies in the area.

Prayer List: In my opinion, prayer is the most powerful force in this world today. Nothing is impossible with God. Please add our friends to your prayer list. Alyse and "Sparky" Meyers were en route to Arrowhead Beach when they were involved in a head-on collision. "Sparky" is doing fine but Alyse has internal injuries and is suffering with her back and neck. Pray for her complete recovery; Carol Fanjoy had

daily routines, let us remember that we are witnessing to those we come in contact with, one way or the other. I pray that it will be for our Lord.

Mildred Hoyer has written a beautiful poem entitled "Leave a Light Burning". Share it with me:

"In every life you touch today leave your light still burning; There may be darkness in that life, there may be secret yearning For love, for peace, for strengthening, a need for faith restored, A need for rediscovering the presence of the Lord. So tend your light and keep it bright amid life's constant churning; In every life you touch today, leave your light still burning!"

surgery two weeks ago, came home and infection set in so she is back in the Portsmouth Naval Hospital, Ward 15C, Bedroom 4, Portsmouth, Va.; Doris Bohn has been hospitalized at Chowan Hospital since last Wednesday but is hoping to go home Monday evening or Tuesday. Her home address is: Rt. 1 - Box 69C, Merry Hill, 27957, phone 482-8607; Delores Nixon is back in Chowan Hospital and needs your fervent prayers; Please remember Arthur Kay who is undergoing treatments for cancer of the bladder; Sam Wright; Esther Polston, Herman Smith; Mrs. Russell Houck; Annie Cooke; Vernon Conner; Jessie Jordan; Elton Bunch; Margaret Abisted; Len Koraska; Sylvia Johnson; our missionaries Nita Pride, David & Linda Smith, Robin Carson and Mary Catherine Moshos; the leaders of our country and our nation as a whole; and our beloved pastor, Dr. Bill and his Sarah.

"Christ Gives Meaning TO Life", Phil. 1-19-30, was the topic for our adults taught by Margaret Bunting. Aim was that adults say with conviction: "To me to live is Christ", and to realize that Christ gives meaning to all of life's experiences - service, fellowship, suffering, even death.

"Happy Birthday" was sung by all in honor of Clara Chappel as she placed her contribution in our Birthday Bank.

Stan Turbyfill reported that the Youth Car Wash was a big success. The young folk and their leaders really worked and he was thankful to report that in spite of the hard work, they were back in Sunday School on Sunday. He expressed appreciation to all that came out and to all the workers.

On this World Wide Day of Communion, Dr. W. J. B. Livingston's inspiring communion meditation was "Will God Help You?", 2 Kings 18:1-7. Look at King Hezekiah. "He trusted very strongly in the Lord God of Israel. In fact, none of the kings before or after him were as close to God as he was. He followed the Lord in everything, and carefully obeyed all of God's commands to Moses. So the Lord was with him and prospered everything he did." He will help you if you will do as he commands. 1) Trust the Lord. Believe He is really there and mindful of you and that His strong arm will be there to help in any situation; 2) Follow the Lord. You can do what Jesus would have you to do. In every circumstance go to God for guidance; 3) Obey God's commandments - love God with all thy heart and soul and love thy neighbor as thyself. As we come to this communion table, this is the time to resolve to trust, follow and obey and He will bless you in everything that you do.

Our dear friend, Jeannie Church, was able to be with us Sunday. Monday was her birthday so the whole congregation sang "Happy Birthday" in honor of Jeannie.

There will be a meeting of all Sunday School officials on Friday night at 7:30 P.M. at the home of Butch and Rose Smith.

The Children's Halloween Party, sponsored jointly by the POA and Bandon Chapel has been set for October 21st from 7 to 9 P.M. Make a note of the date and bring all the

children for an evening of good, clean fun.

The POA Board Meeting will be Saturday at 1 P.M. in the Arrowhead Beach Clubhouse. All property owners are invited to attend to discover first hand the progress your Board has made so far. Any ideas for the betterment of our community will be appreciated.

Our deepest sympathy is extended to the family and friends of Mrs. "Midge" Gumm of Akron, Ohio, sister of Mrs. Kay Christ, who graduated from this earthly plane Monday. We mourn for our loved one because we will miss her. But, rejoice - death is not the end, it is just the beginning of a new life where her spirit is face to face with our Savior, Jesus Christ, and there is no pain or suffering there.

Arrowhead had a winner again this year at the Chowan County Fair! Deacon Clarence S. Barnes won 9 Blue Ribbons, 8 Red and 1 White. Congratulations.

CARD OF THANKS

First of all, I would like to thank God for he was right there to take me through this critical time during my stay in the Albemarle Hospital, through my operation and the loss of my baby girl, and to all of my relatives and friends for all their kind acts, phone calls and all the wonderful cards; but most of all for their prayers. Again I am grateful to everyone.

Genesis 18:14 says, "is anything too hard for the Lord." I can truly say that there isn't anything too hard for the Lord. Thank You. Mrs. Barbara Spivey

Student Holiday Schedule

During the 1979-80 school year, students will get six holidays, but from 8 A.M. to 3:30 P.M. on these days it will be work, as usual, for teachers. The first two of these student holidays will come in quick succession on October 12 and October 19.

Traditionally, there are six grading periods for reporting academic progress of students to parents. On October 12, teachers will be preparing the year's first report cards for release on October 17 and completing records in preparation for the first Parent-Teacher Conference Day on October 19.

Realizing the importance of providing parents with a special time to discuss academic and other concerns and feeling that the end of the first six weeks is a crucial time for parents to be aware of their child's progress at school, the Board of Education

established these dates in the 1979-80 School Calendar. This pattern for students, parents, and teachers will be repeated at the end of the first semester in late January. Other student holiday-teacher work days will be announced as they arise.

CRC To Hold Meeting

The N.C. Coastal Resources Commission will hold its next meeting on October 11-12 in Pine Knoll Shores. The commission will meet at the Marine Resources Center on October 11 and at the nearby Holiday Inn on October 12. Sessions on both days are open to the public and will begin at 9 A.M.

The commission's opening session will include a report of research evaluating the CAMA program.

DINNER GUEST

When I awoke this lovely morning, The sun was really shining bright. I paused for a moment and thanked the Lord, For being spared through another autumn night.

Soon I heard the phone begin to ring, Yes I picked up, I heard Azalea's clever voice. She gave me an invitation to a big dinner, My day was planned, I must make a choice.

True, if there were more people like Azalea, I often think what a grand world this would be. Yes she is kind and has a wonderful personality, And she is certainly one good friend to me.

We are both great talkers as you know, I really feel I missed alot by not being there. I can well remember when we were young, And filled with glee, we didn't have a care.

My phone rang again near noon hour, Please come and have dinner with us. Yes it was again Azalea's clear voice, My guest are coming in, please come it's a must.

Yes Azalea had a real nice dinner, Baked chicken, country ham, and delicious pie. A number of my lady friends were there, True I was not, later I'll tell you why.

My granddaughter, Mary Kay is running for "Fire Queen." I had to take her on a wild goose chase. Listen, she is only twelve years old, I feel it's my duty to keep her in the race.
