Jaycees To Sponsor Run

Shifflette of Kernersville will run from Murphy to Morehead City later this month to raise money to help build chapels at the four state centers for the mentally retarded.

N. C. Jaycee President Maurice Wilson announced Shifflette's run. The Raleigh Jaycees and Durham Life are sponsoring the run. They will be supported by other Jaycee chapters across the state.

Jaycees are asking people to sponsor Shifflette in the 580 mile run by giving a nickel or a dime for the chapels for every mile run. The run is one of several Jaycee projects to raise funds for the construction of the chapels.

Chapels for the North Carolina Centers for the Retarded is a project supported by many religious groups, civic and service organizations. Many churches will take special offerings in November to help raise the \$2-million needed to construct the chapels.

There are more than 3,200 mentally retarded North Carolinians living at the four institutions. Many now attend church services in make-shift facilities, such as a school auditorium, a gym, and cottages.

Wilson said, "the Jaycee Creed recognizes that faith in God gives meaning and purpose to human life and that the greatest work in life is service to humanity. Our recognition of these principles causes us to support chapels for the mentally retarded and Ed Shifflette in his run across the state." Shifflette has run in a

at Butner, O'Berry Center at Goldsboro, and Caswell Center at Kinston.

Those desiring to support Shifflette's run for the chapels should send their contributions to N. C. Jaycee Foundation, P. O. Shifflette will visit the Box 33244, Raleigh, N. C.

Communication Is Priority

With reorganization and consolidation of Edenton-Chowan Schools in sight for 1980, constantly changing and federral guidelines under which school programs must operate, additional programs being instituted to meet the varied needs of students and efforts to unify the systems' curriculum offering to students, there is an increasing need for the community to knowledgable of that which affects roughly 26 per cent of the county's population its students.

Plans to communicate Edenton, Chowan's "Educational Story" now include informal, neighborhood "coffee's" or rap sessions. Through this medium of exchange, interested persons will assume the responsibility of organizing and acting as hest to neighbors sharing concerns and the desire to learn more about the schools' programs and operations. It is felt that by having no planned topics, other than what is on people's minds, constructive understanding can occur. Supt. John Dunn and

ber of distance races, Central Office Staff

members will also invite small gatherings into the schools for similar sessions.

For several years school personnel and students have enjoyed invitations from ciivic organization and church groups to provide educational programs or entertainment at its meetings. Through its Speaker's Bureau, and given advanced notice, an informative program on any facet of the school's educational function can be

Anyone or any group interested in hosting a few neighbors for an informal session or needing an educational program should contact Mary Rhea Gardner at 482-4436 for additional information.

Medic Course Is Planned By Rescue Squad

Plans have been made to start an Emergency Medical Technician course on October 25 at Edenton-Chowan Rescue Squad Unit 3 at Rocky Hock. Classes will be held Tuesday and Thursday night between the hours of 7:30 o'clock and 10:30 o'clock.

Those who desire further information should contact either Murray D. Ashley or Gail L. Johnson at the Edenton-Chowan Rescue Squad office, 482-3111.

their biggest detractors. Little then commented on his list. "In every brief and in every bit of evidence in hearings a standard reply by Vepco people to complaints is: "But you don't understand." "Vepco's terribly poor planning has put the company into the deep trouble it's in," Little observed. "They have a very poor record of safety in

operations," he commented. "The only solution to Northeastern North Carolina's exorbitant electric rates is for Vepco to sell out and go back to Virginia," he finished.

Little gave Vepco a message today. "We will continue this effort until the problem is solved whenever Vepco decides that's going their nuclear power plant to be," he promised.

Miss Boswell Appointed RALEIGH - Elizabeth

M. (Beth) Boswell, a native of Edenton, has been appointed as a media technician in N. C. State University's School of Humanities and Social Sciences.

Miss Boswell, daughter of Mr. and Mrs. W. Elton Boswell, Route 1, Edenton, has duties including television and film production and editing and other work in the "Humanities Extension Program."

She also is involved in the School of Humanities and Social Sciences' pilot project "Disappearing Roots: The Small Town in North Carolina."

Miss Boswell is completing requirements for a degree in speechcommunications from the School of Humanities and Social Sciences.

She is a 1974 graduate of Chowan High School at Tyner.

Dahlias were first brought who explored South America.

Business Activity Reported

The level of business activity in North Carolina was stable in August, according to the Wachovia Business Index. The index registered 156.2, unchanged from the revised July level,

A slight increase in average hourly earnings offset a marginal decline in non-farm employment and a 1 per cent shrinkage of the average workweek in

manufacturing industries: The decrease in non-farm employment resulted from a 1 per cent employment decline in the non-durable goods sector of manufacturing industries. Nonmanufacturing employment was up modestly due to gains in construction and services.

The seasonally adjusted unemployment rate for North Carolina was 5.3 per cent in August, up 0.2 per cent from July. The national rate for August was 6 per cent, up 0.3 per cent from July. The unadjusted unemployment rate in North Carolina was 4.7 per cent in August.

Unit sales of cars registered growth in August, but modest gains in truck sales failed to meet seasonal expectations. Year-to-date sales of both cars and trucks are below the number for the same period last year.

The only woman who was wife of one president and mother of another was Abigail Smith Adams.

EASY

If You Know How Same goes for saving money!

Start small, say two or three dollars a week. The secret is to lay aside regularly from your paycheck before you pay out one cent, the amount not being so important as the regularity.

We're cheering for you and cordially invite you to save with our help where your money earns one of the most attractive rates on the market. Stop in.
