

## Ward Family Holds Reunion

The Ryland Community Building was the setting for the Humphrey and Molly Ward Family Reunion. Again "Hello", "How are you?", "It's good to see you again", rang out across the yard and in the building on the late September Sunday.

Family and friends enjoyed a good meal and fellowship as they got together.

Mrs. Gertrude Midyette of Fairfield, and Randolph Ward of Tyner, the only living children of Humphrey and Molly Ward were there along with their children, families and guest.

Other family members were: Mrs. Randolph Ward, Flora Ward Wilcox and son, Andy Lester and Faye Ward Lane and Rose Lane Byrum

of Tyner. Leila F. Ward and George C. Ward of Edenton. Bill and Eva Ward son, Randy of Gatesville; Ruth Ward Brown and Fred and Helen Hoskin of Williamston.

Mildred Nixon Thurston and Liz Bettenhausen of Richmond, Va.; Shirley S. Durham and Howard and Wilhelmina Stockwell of Hampton, Va.; Bernice Ward Conway of Portsmouth, Va.; Faith Fisher and daughter, Dawn of Newport News, Va.; Henry and Cornelia Nixon Griffin of Jacksonville, Fla.; and James Ward of Greenville, S.C.

Howard and Deanna Stockwell and children Mary Beth, Gloria Jean, John, and Dean of Jackson

Spring; Grady and Martha Ward Davis of Windsor; Margaret Williams Riddick and children Linda, Stephanie, and Laurie of Hobbsville; and Bill and Buelah Williams of Belvedere.

Guest included: Mr. and Mrs. Carson Davis, Mr. and Mrs. John E. Copeland, Rev. George Cooke and son, Kevin, Mr. and Mrs. Ed Ward and Children, Ferma and Phyllis, of Tyner. Rev. and Mrs. Billy Old of Elizabeth City and Cleveland Finch of McKenney, Va.

To help protect the public against unacceptable levels of noise, a new noise-measurement computer program has been developed.

**KISSED BY THE SUN** — A contract for a pair of solar-heated rest areas on I-95 near Dortches in Nash County was approved by the N. C. Board of Transportation recently. State Secretary of Transportation Tom Bradshaw commented, "Not only do the solar-heated rest areas represent a first for the transportation department but they will be the first state-owned facilities which from the beginning were designed to utilize active solar energy. Gov. Hunt has expressed enthusiastic support for using energy saving devices in public facilities." Construction is slated to begin in November with completion in May, 1981. Each building will save an estimated 300-million BTU's (or 82,400 kilowatts, representing some \$2,012 based on today's current electric rates) annually.

## Social Security News

By Lee Wallis  
Field Representative  
Medicare Can Cover Skilled Nursing Care:

Some patients who no longer need all the services that hospitals provide, but who still need daily skilled nursing or rehabilitation services as inpatients can get help from Medicare for the costs of care in a skilled nursing facility.

Medicare hospital insurance can help pay for follow-up care in a skilled nursing facility that takes part in Medicare when certain conditions are met.

Facilities taking part in Medicare are staffed and equipped to furnish skilled nursing care, rehabilitation services, and other related health services.

These facilities are required to meet certain health, safety and professional standards, and must follow written policies concerning the rights of patients.

People can call the

Elizabeth City Social Security office to find out if a particular skilled nursing facility takes part in Medicare.

When Medicare can pay for this care, covered services include semiprivate room and all meals; regular nursing services; rehabilitation services; drugs furnished by the facility; and use of appliances and equipment furnished by the facility.

Medicare cannot cover personal comfort and convenience items, private duty nurses, any extra charge for private room unless ordered by a doctor for medical reasons, and the first 3 pints of blood in a period of care.

The leaflet, "Medicare Coverage in a Skilled Nursing Facility," contains more detailed information about the conditions under which Medicare can pay for these services.

Free copies can be obtained by calling the Elizabeth City Social Security Office at 338-2161.

## Recreation Report

**Midget Soccer League**  
Participation forms are now being accepted for a midget soccer league, ages 6, 7 and 8. This will be an instructional league only. Forms can be obtained from the school offices or from the recreation department.

## Workshop Is Scheduled

A Substitute-Volunteer Teacher Workshop is being held from 9 A.M. to 12 P.M. today (Thursday) in the Council Room of the Edenton Municipal Building.

The joint workshop will serve as an orientation for approximately sixty parents and citizens who have offered their services

to students and teachers as volunteers this year. For substitute teachers, this workshop is the second of three such sessions planned for the year.

Substitute teachers are required to attend two of the three training sessions during the year. The last staff development program will be scheduled in the second semester.

## Chowan District Court News Revealed

A civil term of Chowan County District Court ended here Thursday afternoon. Judge Grafton G. Beaman presided.

Regina Peeples Sawyer was granted child support from David Ray Sawyer, and Frances S. Dunlow was granted a divorce from Miles M. Dunlow.

Lucy E. Leary abandoned her appeal of the judgment gained by Quinn Furniture Company and an order was signed to change custody and support in the case of Shirley Spruill Reid against Clyde Nolan Spruill.

Conducting the joint workshop, which will focus on Child Growth and Development through the ten years is Sue Creech, trainer-director of paraprofessionals at Pitt Community College. A panel of school personnel, including an active volunteer and classroom teacher, will explain the roles and responsibilities of volunteers and substitutes during an open discussion period.

Substitute teachers are encouraged to consider serving as volunteers. Anyone, who has not been informed of the schools' volunteer program and who would like to serve in this capacity, is invited to attend this workshop or contact Mary Rhea Gardner at 482-4336 for further information.
