**A PROCLAMATION**

FARM-CITY WEEK.....1979

WHEREAS the prosperity and well-being of this community are dependent upon cooperation between the two great elements of our society: farmers and urban people, and

WHEREAS the complexities of their individual problems and the divergence of their activities have led to a widening gulf of misunderstanding, and

WHEREAS this gulf of misunderstanding must be eliminated, and each group must understand the other if our American (Canadian) way of life is to endure, and

WHEREAS Farm-City Week provides an unparalleled opportunity for farm and city people to become re-acquainted.

WE, THEREFORE, do hereby proclaim the period of November 16 through November 22 to be Farm-City Week; and we do further call upon all citizens of this community to participate to the limit of their capability in the joint visits, the seminars, the pageants, fairs, civic and social events attendant to a successful Farm-City Week in Edenton and Chowan County.
