

FARM *and* CITY

They're right down
to earth. Families
with a common goal.
To help us and to share
with us the fruits
of their labor.
We're proud to have
them as members of
the community. And,
as friends and neighbors.

NATIONAL FARM-CITY WEEK, NOV. 16-22

Sponsored by the National Farm-City Council

FARM AND CITY, Partners in Economic Progress
with Pride in the Past and Faith in the Future

NATIONAL FARM-CITY WEEK, NOV. 16-22

Sponsored by the National Farm-City Council

FARM AND CITY, Partners in Economic Progress
with Pride in the Past and Faith in the Future

The entire business community recognizes the importance of agriculture in the economy of Edenton and Chowan County. At this harvest season, Farm-City Week gives us an opportunity to reassure the farm members of the community of our wholehearted support and pledge of the fullest cooperation in the months and years ahead. The following business establishments join in this salute to farm families.:
