

Bandon Notebook: Influencing Others

By Maggie B.

Hi Neighbors! Have you ever thought about just how much influence your child's or grandchild's teacher has on that child's outlook on life? When my youngest grandchild started school, I was amazed to see the difference in him - the good influence his teacher had exerted. Then, my husband and I went to Brigantine, N.J. to visit his uncle and aunt. Their grandchild, Karen Patton, was staying with them while she taught school on the island of Brigantine. Karen is a dedicated teacher and loves children. Above her desk in the bedroom where she grades the children's papers, she has posted "The Teacher's Prayer" by James J. Metcalf. Share it with me:

"I want to teach my students how to live this life on earth To face its struggles and its strife and improve their worth Not just the lessons in a book or how the rivers flow But how to choose the proper path wherever they may go To understand eternal truth and know the right from wrong And gather all the beauty of a flower and a song. For if I help the world to grow in wisdom and in grace Then I shall feel that I have won and I have filled my place. And so I ask your guidance, God, that I may do my part For character and confidence and happiness of heart."

The sun failed to show its posters depicting each day. face, the skies cried and the Children participating wind blew on this Lord's were: Raymond Phillips, Day but inside Bandon Paul Fiege, Becky Schock, Chapel, there was a feeling Sheryl Nelson, Bobby of coziness, warmth, love Koraska, Chuckie March, and protection. In spite of the dreary weather outside the fine folk gathered for songs were sung by the children: "God Is Great", "Mighty Fine", "We've Got Work To Do", and "Take A Look At Me". They were accompanied at the piano by Lorraine Turbyfill and on the guitar by Stan Turbyfill. A vote of thanks is extended to the children and sincere appreciation to their teachers Stan and Lorraine Turbyfill and Erma

Prayer List: Prayer is the most powerful thing in this world today and when God's people pray together, miracles happen. Please add our friends to your prayer list. Annie Cooke expects to be released from the hospital this week; please remember Georgia Wright; Molly Tucker, Willetta Whiteman, Helen Headen, Thomas Futrell, Winnie Bottoms, Robin Adeock, Herman Smith, Len Koraska, Frances O'Brien; Sylvia Johnson, our missionaries, Nita Pride, David & Linda Smith, Robin Carson and Mary Catherine Moshos, our country's leaders and its people; and our much loved pastor, Dr. Bill and his lovely Sarah.

"The New Community the Lord Builds", Eph. 2:11-22, was the subject for our adults taught by B. Kent Rowley. Aim was that adult Christians demonstrate by their actions their unity with God and with one another.

"Happy Brithday" was sung by all in honor of Kay Christ as she placed her contribution in our Birthday Bank.

Instead of the usual Anthem by the Choir, we were treated to a beautiful duet by Stan and Lorraine Turbyfill, entitled "Thou Art Worthy".

Dr. W. J. B. Livingston's delightful and inspiring morning message at our Worship Service was "Putting Your Roots Down", Isaiah 11:1-10, with emphasis on vss. 1 & 10. Christians believe that Jesus is "the root" of Jesse which shall stand as an "ensign" of the people. If we are rooted in Jesus, nothing can wash you away. We are sons and daughters of God, joint heirs with Christ - our sins are forgiven, the victory is won, and we shall enjoy love, joy and peace. Establish your roots firmly in Jesus.

Friday is the day! Covered Dish Supper at 6:30 P.M. in Fellowship Hall. Come out, bring your favorite dish or dishes and enjoy an evening of good food, fellowship and fun. Dr. Bill and Sarah will be our Hosts. See you there!

Don't forget to attend the "Turkey Shoot" this Friday and Saturday nights from 7 to 10 P.M. Chuck Wagon will be there with all the "goodies".

Jewelry Jottings

—By R. W. Davis—

Zircon has such flash and fire that its only natural rival is the diamond. It should not be considered an imitation diamond but accepted for the lovely gem it is, especially in tones of gold, red or rich blue.

Those born in December have the zircon as their birthstone. These relatively inexpensive stones are ideal gifts for any occasion.
