Reception Honors Students

GREENSBORO — Thelma Babb of Edenton was among approximately 350 sophomores honored for academic achievement at a special reception at the University of North Carolina at Greensboro recently.

Miss Babb, a home economics major, is the daughter of Mr. and Mrs. Harold B. Babb, 204 West Second Street.

Jordan Finishes Army Course

FORT GORDON, Ga. — Pvt. Yvonne D. Jordan, daughter of Mr. and Mrs. William E. Jordan, of Tyner, recently completed the multichannel communications equipment operator course under the One Station Unit Training (OSUT) Program at the U.S. Army Signal School, Fort Gordon, Ga.

The OSUT program combines basic training with advanced individual training.

Students learned to install, operate and repair field radio relay, carrier and associated equipment.

Postal Service Offers Advice

Postmaster James M. Bond is reminding customers that for the best service this Christmas season they should use ZIP Codes, place their return address in the upper left corner of the envelope and use proper postage.

"By following these suggestions," Postmaster Bond says, "Customers will be assured good mail service this holiday season."

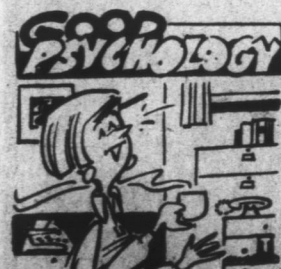

It is important, the Edenton postmaster says, that families "double check" envelopes and cards to be certain that proper postage is affixed. Envelopes without postage will be returned to senders, if possible, or delayed by postage-due procedures.

When the return address is placed on envelopes bearing holiday greetings, it also helps remind friends of one's current address.

And, if the family to whom a holiday message is sent moved more than a year ago, it cannot be forwarded. With a return address, Postmaster Bond says, such letters are returned to the sender with a notation that the following "order" has expired.

Sales Reported

Sales for the first nine months of 1979 by the Ordinary, Group and Home Service Divisions of Pilot Life Insurance Co. totaled more than \$1.8-billion, it has been reported by R. E. Saunders, Edenton staff manager for the company.
