

### School System Signs Contract

RALEIGH — A \$14,274 contract with the Edenton-Chowan School System was signed recently by the Division of Community Employment under the Comprehensive Employment and Training Act (CETA).

The division, an agency of the N. C. Department of Natural Resources and Community Development, signed with the school district in the ground floor hearing room of the Archdale Building here.

Five participants were hired to provide aides to teachers of a demonstration project for exceptional children. They were employed under Title VI of CETA, which requires a participant to be unemployed for 10 to 12 weeks prior to applying, to have a family income not exceeding 100 per cent of the living standards set by the U. S. Department of Labor and to be a member of a family receiving public assistance for 10 of the 12 weeks prior to application.

The contract runs through September 30, 1980.

The division administers CETA funds in 91 counties. It is impossible for statewide planning and policy development of employment and training programs. The division administered \$104,612,351 in CETA funds for programs in which 77,975 participants were enrolled during the fiscal year ending September 30, 1979.

### Two Head Re-Election Campaign

Lieutenant Governor James C. Green has named two local residents guide his reelection efforts in the Chowan County area. Felix Parker Chambers and Jim Darnell have been chosen as Co-Chairmen of the local North Carolinians to Re-Elect Jimmy Green Campaign in Chowan County.

Chambers is presently employed by George Chevrolet in Edenton and is a active member of the VFW. Chambers worked for Green in his initial 1976 campaign.

Presently, Darnell is president of Chowan Veneer. He is also a member of the Rotary Club and former member of the Edenton Jaycees.

In making the announcement Green praised Chambers and Darnell for their longtime interest and active participation in community affairs.

"Felix Chambers and Jim Darnell have shown that they are willing to work hard for a better, more responsive government, Green said. Felix and Jim bring to my campaign the experience, dedication and energy that I need and want in my campaign."

"I look forward to working with both of them as well as my other supporters in Chowan County," Green concluded.

### ECU Students Practice Teach

GREENVILLE — Three hundred and 28 East Carolina University teacher education students are doing practice teaching in North Carolina and Virginia public schools this semester.

The intern teachers are from 54 counties in North Carolina and 11 other states.

Dr. Thomas A Chambliss, director of student teaching, said each practice teacher will conduct regular classes under the direction of a supervisor and will receive a grade for performance.
