

DECA Plans Bike-A-Thon

The John A. Holmes DECA Club has volunteered to lead local residents in organizing a Bike-A-Thon to be held on Saturday, May 10 in Edenton for benefit of the Cystic Fibrosis Foundation.

Cystic fibrosis, is the most serious lung-damaging disease and is incurable. One in every 1,600 American children inherits this devastating disease when they receive a gene for it from each of their parents. Through research funded by the Cystic Fibrosis Foundation, a test to identify carriers is being sought and scientist are pursuing a cure for control for cystic fibrosis.

The bike-a-thon will help support these research programs and medical care to lengthen the lives of all lung-damaged children through over 120 Cystic Fibrosis Centers in the United States.

Participants in the bike-athon who raise \$25 or more will win a T-shirt from the CF Foundation. The top 5 money raisers will win prizes from the Deca Club.

First place will win an instamatic camera donated by Hoke Motor Company. Second place will win a pocket calculator donated by Edenton Office Supply. Third place will win a pocket portable radio donated by Parker-Evans Hardware. Fourth place will win six free passes to the Taylor Theatre, and fifth place will win four free passes to the Taylor Theatre.

The starting place will be in front of John A. Holmes and the starting time will be 1:00 P.M. Sponsor sheets will be available at Chowan County Schools. For more information call the DECA Club at John A. Holmes.
