

Safety Campaign Is Launched

Edenton Police Chief J. D. Parrish advises that children's pedestrian accidents peak at ages five and six as he launched this year's "School's Open - Drive Carefully" program. The campaign, designed to encourage motorists to exercise caution near school zones, is conducted each year in Edenton with the help of the Carolina Motor Club and the American Automobile Association.

Chief Parrish said that recent research suggests that some of the reasons why children are involved in so many accidents is due to the following:

- Children's small stature makes it difficult for them to see a traffic situation as it appears to an adult, and also prevents drivers from seeing them.
- The visual development of youngsters is not yet complete, lacking in the ability to focus clearly.
- Children often have little experience in traffic environments, and frequently misunderstand instructions given to them by others.

of the Carolina Motor Club said, "While young people tend to be at a disadvantage in moving traffic situations, accidents are not always their fault." He added, "Citations describing the actions of 1980 AAA School Safety Patrol Lifesaving Medal Award recipients reveal that the careless behavior of motorists can contribute to an accident situation. The problem is often a two-edged sword."

The Bandon Notebook: Celebrating 40th Anniversary

Continued From Page 3-A

so enticing, many went back in. Some tried their luck at fishing and the rest of us just talked. When the sun was setting, the guests began to leave. Quite a few stayed 'till after dark. Bill and his family and David and his family stayed with us. It was really a day for Trus and I to remember always. The boys and their wives took care of everything. I was so proud of them!

This Lord's Day dawned clear and bright, showing off the beauty which our Creator blessed us with. It was a day just right for going to the church of your choice to thank God for his many, many blessings. The fine group gathered for Sunday School at Bandon Chapel were joyfully welcomed by Supt. B. Kent Rowley. He announced that Prayer Meeting will be at 7 P.M. Tuesday in Fellowship Hall, followed by Choir Practice at 8 P.M. The BCWG meets on Thursday from 11 A.M. to 2 P.M. Come out and join the

ladies - it's fun!

Prayer List: Nothing is ever too small or too big to take to our Heavenly Father in prayer if it concerns you or your neighbors. Please add our friends to your prayer list. Bill O'Neal entered Pitt Memorial Hospital, Greenville a week ago for a series of tests to determine if surgery was necessary. Monday he underwent an operation on the vertebra of the neck. Pray that the operation will be successful; Willie Darden of Franklin, Va. underwent back surgery at Norfolk General Hospital and is now recuperating at his place in Arrowhead Beach; our dear friend, Gil Holt, learning this morning (Tuesday) that four weeks from today he will be taken out of traction to see how he makes out. He's in pain but his spirits are good. Pray for his wife, Bobbie Jean too; Otis Strickland is out of the hospital now but still needs your prayers; Catherine Wroten is home now and doing very well;

please add Trudy Lapham and remember Helen Woolney; Gladys Hughes, Dean Madry; Bill Perry; Elizabeth Rountree; Bob Harvey and his wife, Grace; Harold Peters; Tom Dilday; Madelyn Moriarity; Sylvia Johnson; Connie Snell; C. W. Rountree; Kitty Housden; John Jones; Annie Cooke; Steven Burgess; Mrs. Russell Houck; our hostages in Iran, the leaders of our country and its people; our missionaries and our much loved pastor, Dr. Bill and his lovely wife, Sarah.

"How God Acts in History", Isaiah 45:1-7, 11-13, was the topic for our adults, taught by Wm. F. (Butch) Smith. Aim was that adult Christians praise God for His wise control over human affairs.

At our Morning Worship Service, Dr. W. J. B. Livingston's most inspirational message was "Where Do You Go For Help", Psalm 46, with emphasis on vs. 1 - God is our refuge and strength, a very present help in trouble. This has been proven throughout the Old Testament. But, who is a stranger to trouble? Christians are constantly bombarded by trouble in an effort to discourage them to quit, to seek help in strange and dangerous places.

Our nation, too, has been in big trouble, and each time our leaders have sought out God for help and found it. Today, all Christians are troubled at what's happening to America. Moral deterioration is great, we have turned away from the Lord and His word. Never in history has any nation existed for 200 years without falling or achieved so much wealth, prestige and power. To save what the Lord has blessed us with, we should review our history; open our eyes to divine promises and warnings wholly ignored today or else we will be destroyed as were Sodom and Gomorrah. Let each and every one of us petition our President to proclaim a day of fasting and prayer as did President Abraham Lincoln on Mar. 30,

1863. Let us remember that God is our refuge and strength, a very present help in trouble.

At the Congregational Meeting following the church service, Deacon Al Howard's request to be placed on roll of Inactive Deacons at the end of the church year was accepted. A Nominating Committee consisting of Deacons Jack Strickland and Trus Bunting, congregational members Wyatt Hendrick, Mary (Flag) Campbell and Kent Rowley was appointed. Anyone desiring to submit names for office, please contact some member of this committee.

Dr. Bill will be enjoying a reunion with all his children and grandchildren next week. Rev. Preston Cayton will bring the message next Sunday at our Worship Service.

The Board of Deacons will hold its monthly meeting Saturday at 9:30 A.M. All members of congregation are invited to attend and give them the benefit of your ideas or suggestions.

The POA Board meeting will be held Saturday at 1 P.M. in the Arrowhead Beach Clubhouse. All property owners are invited to attend and see your Board in action.

A hearty welcome is extended to our first timer this week, Mark Karpinsky, of Wanaque, N. J. His cousin, Stacy Smith of Haledon, N. J. was also present. They are grandchildren of Mr. and Mrs. Bucky Taylor. We hope you enjoyed our service and will return soon.

Letter To The Editor

Dear Editor,
The migrant program this summer focused on agricultural products and improving the child's self concept. Many interesting things were done and learned. Several resource people visited us and talked to the students about their jobs. Some even showed movies about their work. We also visited several agricultural places and were told about them. Last week, Mr. Gil Underwood, principal at Swain School, invited us to come and see his apple orchard. He talked to us about the three kinds of apples grown there. We were allowed to pick some. The students enjoyed eating more than picking. Though it was hot the students really enjoyed their visit. My! did some of us get a stomach ache. Friday, August 1, concluded summer school. We had a picnic at the park. Lunch was brought down by Mrs. M. Jordan, our cafeteria manager. Everyone enjoyed it. Thanks to everyone who helped to make our program a success.
Mrs. Mary Copeland
