

NATIONAL BUSINESS WOMEN'S WEEK OCTOBER 19 - 26

National Business Women's Week was observed for the first time in North Carolina in 1928, but it was not until 1932 that official endorsement was secured from the Governor. In that year, Governor O. Max Gardner gave it his endorsement, and the General Assembly passed House Bill No. 582 officially designating March 5-11, 1933, as Business Women's Week and calling upon all North Carolinians to assist in the observance. Upon action of the National Federation, National Business Women's Week is now held in October of each year.
