Smithson suffered a heart attack last week but is out of intensive care now. He is in Chowan Hospital and needs prayer; please remember Wm. T. Please pray for our Nation, its leaders and its people; our missionaries and our new Shepherd, Rev. Robert Harrell and his wife.

It was announced that Raymond (Bucky) Taylor was selected as Chairman of the Crime Watch Program for Arrowhead Beach. He and his committee will be calling on all of you to help in some way. Please cooperate in this effort.

"Reach Out to the Hurting"; Matt. 21-39, was the topic for our adults, skillfully and forcefully

taught by Stan Turbyfill. Aim was that adult Christians be filled with true compassion for other human beings - a compassion that expresses itself in deeds.

"The doors of this Church are as wide as the gates of Heaven and in Christ's name, I bid you welcome", stated Chairman, Board of Deacons, Thomas H. Dilday, as he welcomed the fine group assembled for our Worship Service. He gave a special welcome to our first timers, Mr. and Mrs. Henry Allen Bunch, mother and father of our guest speaker, and to his uncle, Haywood Bunch and his grandmother, Mrs. Londa C. Early.

Our guest speaker, Allen Bunch, is a native of Chowan County, graduated from John A. Holmes High School, active in athletics, specially football, and is now studying at Gardner-Webb College, Boiling Springs, N.C. He was licensed by the Edenton Baptist Church to "Preach the Gospel" on December 31, 1978. Mr. Bunch was highly recommended by our

pastor, Rev. Robert Harrell, and is interested in getting young people started in the right way.

The subject chosen by Mr. Bunch was "Bound But Yet Set Free", Acts 16:22-31; Phil. 4:4-7, 13. Brief resume follows: Today the world is full of problems. Each individual has problems and it seems that each day brings new problems. Our scripture describes for us how Paul and Silas handled their problems. After they were severely beaten, thrown into prison and shackled, they prayed to God, sang hymns and praised His Holy Name and witnessed to other prisoners. They humbled themselves before God. At midnight there was an earthquake which set all the prisoners free. The jailer was about to take his life when Paul called out to him that all the prisoners were still there. As a result, Paul and Silas were able to gain the jailer and his household for Jesus.

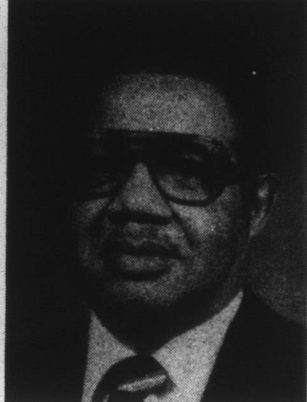

The way we deal with our problems determines the type person we are. First, the totally defeated person. He cannot deal with his problems. This person thinks he can do it all on his own. His plans, hopes, goals and dreams go down the drain. He is not a Christian - he does not have Jesus in his life, depends only on himself. Second, the partially defeated person. This person is a Christian but instead of turning his problems over to God, tries to handle them himself. He puts a big "I" on the throne and does not let Christ sit on the throne and help him until he is beaten. He does not grow spiritually - he needs to go to the Bible each day. He should be Off the milk and on the meat. He has accepted Jesus in his heart but is not ready to turn his problems over to him. Third, the victorious person. He has gotten off the milk and is eating the meat. He is growing spiritually and turns over his problems to Jesus. He knows that God never promised him a rose garden. Jesus sends us out as sheep among wolves. The victorious person will still have trials and tribulations but he will have peace and joy. He knows that Christ will pick him up if he falls, and Christ does pick us up everyday. He prays about everything, tells God his needs, and thanks Him for His answers, he praises God and rejoices under any circumstances and he witnesses to others. That is the joy of being a Christian, of putting on the meat of the Word and trying to live according to the will of Christ. God's peace is far more wonderful than the human mind can understand. Be a Victorious Person - put Christ on the throne.
