

Couple United In Marriage

Miss Kimberly Ann Elmore of Edenton and Mr. Dan Olive Campbell, Jr., of Anderson, S. C. were united in marriage at 2 P. M. Saturday in Saint Paul's Episcopal Church. The Rev. Raymond W. Storie officiated at the double-ring ceremony.

The bride is the daughter of Mrs. Joseph Harold Conger, Jr., and Mr. Alton Gray Elmore of Edenton. The groom is the son of

carried a bouquet of gardenias and pink sweetheart roses accentuated with hosta.

Miss R. Nan Stutzman was maid of honor. Bridesmaids were Miss M. Stephanie Beretch of Clinton, Miss Ellen S. Brown of Ahoskie, Miss Ginger L. Dewar of Raleigh and Mrs. Elizabeth J. Elmore, sister-in-law of the bride.

Mr. Nicholas J. Hobbs of Atlanta, Ga. was the best

Chowan Golf and Country Club following the wedding.

The bride is a graduate of Peace College. She was formerly employed at North Carolina State University. The groom is a graduate of North Carolina State University and is employed by Stauffer Chemical Company.

Following a wedding trip to the Caribbean Islands, the couple will live in Anderson, S. C.

Parties were given by Mrs. Ruth B. Kimble in Greensboro on May 2, Mrs. Margaret D. Black in Raleigh on May 11, Mrs. Harry A. Guard and Mrs. Wilbur A. Parker of Edenton on May 20 at the Gard's home.

A pig pickin' was given by Mr. and Mrs. S. Hewitt Fulton, Jr., Mr. and Mrs. S. Hewitt Fulton, III, Mr. and Mrs. William S. Fulton, Mr. and Mrs. John M. Green and Dr. and Mrs. Bruce K. Willitts in Laurinburg on May 30. Parties were also given by Mr. and Mrs. Robert F. Kelly, Jr., Mr. and Mrs. James W. Smith and Mr. and Mrs. Warren J. Twiddy on June 6 at the Twiddy's home and Mrs. James M. Bond on June 8 at the Bond's home.

A bridesmaids' luncheon was given on Friday afternoon, June 19, by Mrs. Richard H. Hardin and Mrs. Joseph M. Thorud at the Thorud's home.

A rehearsal dinner and party was given by Mr. Dan O. Campbell, Sr. and Mr. and Mrs. H. Lee Davis, Jr. the night preceding the wedding.

A brunch was given on the morning of the wedding by Mr. and Mrs. R. Blair Stutzman and Sue, Nan and Jill Stutzman at the Stutzman's home.

After the wedding and reception, a party was given by Mr. and Mrs. Kelly A. Elmore at their home for the out-of-town guests.

The tolerance of variety is the mark of intelligence.

Young Careerists

Continued From Page 2-A

Because her job as a counselor at Piedmont Technical College in Roxboro was phased out, she took a class in welding and upon completion was employed by H. B. Azchry Co. as a welder. Within a few months she was promoted to her present position, that of Boilermaker Foreman with approximately twenty men working under her.

Runners-up in the Young Careerists competition was Noel Todd McLaughlin of Hertford, associate editor of the Perquimans Weekly.

Members of the local club attending the convention were Hettie Wallace, Fran Ward, Martha Hollowell, Marguerite Lassiter, Margaret Leeper, and Julia Hassell.

Diana Joy Spruill
Miss Spruill Completes Term

Diana Joy Spruill, the daughter of Mr. and Mrs. William Edward Spruill of Roper, recently completed her term as State Vice President of the North Carolina Association of the Future Farmers of America (FFA). Her final duty, in a year which began with her election at the 52nd Annual Convention, was to plan and conduct the 53rd Annual State FFA Convention, held June 17-18-19 in Raleigh.

A 1980 graduate of Creswell High School, Diana has spent approximately one-fourth of her time this past year traveling on behalf of the North Carolina FFA Association visiting local chapters across the state and representing the State Association at regional and national meetings. While at Creswell High School, Diana's vocational agriculture teacher-FFA Advisor was J. D. Melton, who received special recognition during the convention.

In addition to her duties as an officer, Diana has completed her freshman year at N. C. State University, majoring in pre-veterinary medicine. She will be a sophomore at NCSU this fall.

During the convention, over \$22,000 worth of plaques, trophies, scholarships, and cash awards were presented to FFA members from across the state in recognition of their achievements. As part of the convention program, Diana delivered her retiring address "The Way We Were" and conferred the Honorary State FFA Degree - the highest recognition given by the State FFA Association - on her parents.

The convention, which drew over 1,200 participants, concluded with the election of the 1981-82 State Officers during the final business session.

EARN DEGREES—Six students of the Medical Laboratory Technician Class at Beaufort County Community College recently received associate degrees from the school. They are, from left to right, above: Donna Midyette, Washington; Marsha Smith, Roxobel; Connie Ireland and Tomenah Hudson, Washington; Michael Jordan, Bath; and Patricia Easterling, Edenton.

Lab Technicians Complete Training

The Medical Laboratory Technician Class of 1981 at Beaufort County Community College recently completed their academic and clinical requirements for an associate degree and were awarded their pins in a ceremony Thursday night at the First Baptist Church in Washington.

Dr. Lorie Moore, pathologist at Beaufort County Hospital and medical director of the Beaufort County Community College MLT program, was the guest speaker. Dr. Moore emphasized the need for close professional communication between laboratory

technicians and pathologist. From the standpoint of a laboratory director, he realized that quality laboratory results and ultimately patient care are dependent on this vital communication. Through the triad of physicians, pathologists, and laboratory technicians the proper diagnostic procedure and evaluation can be ensured.

The pinning ceremony was presided over by Steven B. Valand, Director of the Beaufort County Community College Medical Laboratory Technician Program. A former graduate, Mr. Julian Culter gave the invocation and benediction. Mr. Culter has been employed at Beaufort County Hospital since his graduation last year.

Graduates of this two year associate degree program are trained to work in medical laboratories throughout the country. Their basic responsibility is that of performing diagnostic techniques that are used to diagnose, treat, and monitor the myriad of genetic, metabolic and infectious diseases plaguing man. Medical laboratory technicians work under the supervision of pathologists and registered medical technologists. Employment opportunities in the field are vast and include hospitals, physician's offices, clinics, public health agencies, industrial and pharmaceutical laboratories, medical research, and education. The graduates are now eligible to take the registry examination offered by the American Society of Clinical Pathology (ASCP). After successful completion of this exam the graduates are

certified Medical Laboratory Technicians (MLT-ASCP) and may practice in any of the fifty states.

Couple United In Outdoor Ceremony

Susan Inglis and Thomas Burch Whiteside were married on June 20 at home at Somerset Farm near Edenton.

The Rev. Frederick B. Drane, grandfather of the bride, officiated at the outdoor wedding. Flute and guitar music was played by the groom's brother and his wife.

The bride's dress had a bodice of fine white linen embroidered by her grandmother Mrs. Drane; the waltz length cotton batiste skirt had a scalloped hem. The bride carried a mixed bouquet of garden flowers.

The ceremony was attended by a few of the family and friends, and was followed by champagne and the traditional toasts, during which a friend of the couple played the harp. The wedding party was joined by others for the wedding feast in the back yard and barn. Lambs were roasted and served with salads, french bread and a colorful wedding cake.

The bride is the daughter of Frances and Ross Inglis of Edenton. The groom is the son of Mrs. Vic Lubber of New York City and of Harry W. Whiteside of Roanoke, Va.

Most parents take credit for the good points of their children and wonder where the perverse symptoms originate.

Claims Bride

Continued From Page 2-A

Following the wedding, a reception was given by the bride's parents in the church educational building with Mrs. Sue Keller of Raleigh and Mrs. Patty Byrum of Edenton serving.

The couple will reside in Greenville, S.C.

The bride will be a senior of Bob Jones University in Greenville, S.C.

The groom is a graduate of and employed by Bob Jones University.

The bride is the granddaughter of Mrs. Neppie Briley of Edenton, and Mr. and Mrs. A. J. Lawrence of Merry Hill. She is the great granddaughter of Mrs. Minnie Williams of Edenton.

A miscellaneous shower was given on May 29 by Mrs. Betty Byrum at her home in Edenton.

A miscellaneous shower was given by the groom's sisters and the ladies of Grace Baptist Church May 30 at the home of Mrs. Jackie Leary in Plymouth.

Mrs. Dan Oliver Campbell, Jr.

Mr. Dan Olive Campbell and the late Mrs. Mary Baxley Campbell of Laurinburg.

The bride wore a white gown fashioned from chiffon. It featured a Queen-Anne neckline and Chantilly lace bodice. The full sleeves had a deep lace cuff. Covered buttons adorned the gown back and cuff. The full skirt had a wide border of Chantilly lace. Her veil of silk illusion was fingertip. It was edged in Chantilly lace, featured a flat tiara. She

man. Ushers were Mr. Kelly A. Elmore, brother of the bride, Mr. William S. Fulton of Clinton, Mr. J. Thomas Odom, III of Greenville, and Mr. Robert L. Spencer of Kinston.

Music was provided by Mr. Hugh D. Dial, organist, and Mr. John F. Becker, soloist. Acolyte was H. Smith Roberson, III, Mrs. Patricia M. Storie was Mistress of ceremonies.

The bride's parents entertained at a reception at

Weekly Health Tip

Roughage vs. Cancer

Mike Brewer

"To avoid cancer of the colon or rectum, doctors are switching patients from a bland, refined diet to high roughage (lettuce, bran cereal, etc.), says Dr. H. M. Pollard of U. of Michigan. "In countries with high roughage diets you find the lowest incidence of cancer of the colon. They have good bowel activity." He recommends whole grain cereals and raw vegetables - avoid refined (white) flour and puddings.

Views On Dental Health

Richard N. Hines, Jr.
D.D.S., Fellow of The Academy Of General Dentistry

HALF A TOOTH BETTER THAN NONE

Sometimes the dentist can save only part of a tooth (usually a molar) because of extreme bone loss or a vertical fracture involving half the tooth. Half a tooth, however, is better than none. The dentist can divide the molar in half vertically and surgically remove the one or two damaged roots of the weak half and save the undamaged, strong half with root canal therapy. This is called a hemisection.

Occasionally, an infected root is surgically removed without damaging the crown part of the tooth. This is particularly advantageous when there is a cap on the tooth and hemisecting it would involve cutting through or destroying an otherwise good restoration, or

if the tooth is healthy and in good contact with the adjacent teeth. In those situations, rather than hemisection, the tissue along side the roots is reflected (lifted and turned), and the infected root is found and removed. Root canal therapy is always done on the remaining root or roots. If there is ever a choice of saving a tooth (even half a tooth), by all means, save it!

A public service with the aim of promoting a better dental health environment. From the office of: **RICHARD N. HINES, JR., D.D.S., Fellow Academy of General Dentistry.** 437 South Broad Street, Edenton. Phone: 482-2776.
