### Legal Notice

This is to notify the public that on and after this date August 27, 1981, Luther Ambrose, Jr., will not be responsible for any debts contracted by anyone other than myself and I will not honor any checks signed by anyone other than myself. Aug. 27, Sept. 3, 10, 17, chg.

### LEGAL NOTICE

Members of the Edenton Zoning Board of Adjustments and Appeals will meet on Monday, September 14, 1981 at 8:00 P.M. in the Edenton Municipal Building to consider and act upon the following:  
1. Request from Johnnie Alexander for a special use permit to allow him to place a mobile home on a 150 x 200 foot lot located in Woodland Park, just off N.C. 32 North, in Edenton's Extraterritorial Area and is zoned R-20 Residential-Agricultural.

2. Request from Robert T. Bond for variance to allow him to use the existing two family residence as such and an additional single family residence which is also on the lot at 908 N. Broad Street. The lot in question is 150 ft. wide and 117 1/2 feet deep and was originally three lots but were joined quite a number of years ago to make one large lot. This lot is located in zone R-6 Residential. The existing buildings have been vacant for in excess of 120 days and therefore have lost the right to continue as a special conforming use.

3. Request from George T. Carter for special use permit to allow him to place a 70 x 14 foot mobile home on a 100 x 200 foot lot located in Woodland Park, just off N.C. 32 North, which is in Edenton's extraterritorial area and is in R-20 Residential-Agricultural zone.

**FILE NO. 81-SP-4**  
In The General Court of Justice  
Superior Court Division  
Before the Clerk  
**NOTICE OF SALE**  
**NORTH CAROLINA CHOWAN COUNTY**  
Marguerite Ray (widow) and Mabel Roberts Drayton (widow);  
Patilioneers,  
vs.  
Antoinette Roberts (single); et al.  
Respondents

Under and by virtue of an order of sale of the Superior Court of Chowan County, North Carolina, made in the above entitled special proceeding, the undersigned Commissioners will at noon, on Friday, the 4th day of September, 1981, at the Courtroom door in Chowan County, Edenton, North Carolina, offer for sale to the highest bidder for cash that certain tract of land situate in Fourth Township, Chowan County, North Carolina and more particularly described as follows:  
That tract of land in Yeopim Township beginning at the point on the line leading to Snow Hill farm, and running along said lane North 2 deg. West 14 chains, thence North 89 1/2 deg. East, 9.8 chains to a branch, thence along the run of said branch to the run of a ramp, thence along the said run of said branch South 31 1/2 deg. West 11 chains to the point of beginning, containing 31 1/2 acres, more or less, and being the same land reserved and excepted in a deed to East Carolina Farm & Improvement Company dated November 27, 1905, and being the same as is more fully described in a deed from John G. Wood and wife, Bessie M. Wood to Armstead Roberts dated January 1, 1906, and recorded in the Chowan County Register of Deeds office.

The above described tract of land is also shown on map No. 7633 in the land records office for Chowan County, and being designated as Lot No. 8158 thereon, reference to which map is made for further description and location of the property.

There is to be excepted from this sale a residence on the property which is to be removed by the owner.

This sale will be made subject to 1981 Chowan County ad valorem taxes and the highest bidder shall be required to make a ten (10) per cent deposit of the bid with the Court.

Dated and posted this 31st day of July, 1981.  
Charles T. Busby, Commissioner  
110 East Queen Street  
P. O. Box 445  
Edenton, N. C. 27932  
Telephone: (919) 482-4441

Zoning Administrator  
Aug. 27, Sept. 3, chg.

### Meeting Called

The Session of First Presbyterian Church has called a congregational meeting for this Sunday, following the morning worship, at 11 o'clock to secure funds from the Building Fund of the Church for a furnace replacement.

The present furnace has been in use since the building was built in 1942. Ken Thorsen, Warren Hibbard and Chm of the Diaconate John Jennings along with other Deacons, Ernest Swanner, Harriet Small, and Al Ward have been studying the heating system for two months.

The Session has heard their recommendations and had called the Congregation to meet. If approval is given for providing the funds work could begin in September and be finished before the cold weather sets in.

**STUDENT LEADERS** - Students at College of The Albemarle will look to this foursome for leadership during the 1981-82 academic year. Student Senate officers are, from left: Richard McElrath, president; Jamie Meggs, vice president; Ross Adderholt, parliamentarian; and Gloria Felton, secretary. (COA Photo)

## Letter To The Herald Editor

First, I would like to take this opportunity to thank my many friends and supporters for their help and guidance while I served as Parks & Recreation Director in Edenton during the past six years. I have enjoyed immensely working for and with the citizens of Edenton and Chowan County - for these folks are truly some of the finest that I have ever served.

Unfortunately, though, I have had to leave my position. Being only human, I could not accept the continued interference in the operation of my department by the Mayor of Edenton. This interference grew most intense after the departure of our City Manager of many years, Bill Gardner.

The Mayor began not only using his office to try to influence my administrative decisions within the Parks & Recreation Department, but even began dictating which umpires I could hire and fire. I was also pressured about changing a recreation ordinance concerning facility rental which the mayor himself watched passed only months earlier at his own council meeting.

Reluctantly, I then made the decision to submit my resignation with the Town of Edenton, as I could no longer effectively operate my department under the prevailing restrictive conditions. But as though my years of service to the community meant nothing to the mayor, while I was out of town he then pushed a decision to force me into leaving my job a month before my planned resignation.

These are only a few of the many incidences which have influenced my recent decision, but I shall not dwell on the others as they are merely water under the bridge now. However, I did want my many friends, colleagues, and the citizens of Edenton and Chowan County to know my reasons for leaving, and to know also

that I have genuinely enjoyed working to provide you with the best Parks & Recreation Department programs and facilities that I possibly could.

I have certainly had my eyes opened lately to the unfortunate consequences of political interference, and only hope that Edenton and the department director who follows me gain insight from what has happened.

Although I regret having to leave, I can at least guarantee that while I served the citizens of this area the department operated with utmost integrity and honesty. I feel that I have gained im-

measurable reward in that I have never compromised my ideals of service to the community, regardless of the pressures I was forced to operate under.

My best wishes go now to Edenton - that its citizens are not the ultimate victims of this disheartening situation.

Sincerely,  
W. Michael Johnson  
former Director of Parks & Recreation - Town of Edenton and Chowan County

P.S. My friends will be glad to know that I am happily relocating in El Paso, Tex.

## Around The Farms

By Murray L. Goodwin  
Agri. Ext. Agt.

We were on vacation last week and missed most of the rain. Monday we rode around parts of the county and went into peanut and soybean fields. We observed more stem rot in peanuts than we did worms on soybeans or peanuts. With the heavy rains, I suspect that stem rot is in most fields. The chemicals to use for stem rot are Terraclor or Vitavax.

Our last word, continue checking your soybeans for worms and stem rot. Apply chemicals when there are two worms per foot of row in soybeans and four worms per foot of row for peanuts.

To check for worms, put a white piece of cloth between rows and shake the plants over the cloth. Shaking each row over the white cloth will give distance twice the length of your piece of cloth.

Watermelon variety test  
We have finished harvesting our cantaloupe and watermelon variety test. We think our watermelon tests had varieties in them that have promise of meeting the needs of Chowan County vegetable farmers. We will discuss the new varieties that we think have some

real promise.

Dixie Lee had the highest yield in the Winborne test and third highest in the Pippins test. This melon is attractive on the outside and inside. Dixie Lee has a narrow rind compared with other varieties. Average weight in Winborne test was 20.6 pounds and 21.8 in Pippins test.

Mirage has color about like Crimson Sweet but grows oblong like Jubilee. Yield was highest in Pippins test and second highest in Winborne test. This year it was an excellent eating watermelon. Average weight in Pippins test was 20.8 pounds and 27.9 in Winborne test.

Madera, a new Asgrow Hybrid, looks like Crimson Sweet. It is an excellent eating melon. Yield was lower than Crimson Sweet. In Pippins test it came up poorly and grew off slowly.

Sugar Lee did much better than last year. It is a light green melon with dark green streaks. It looks like Dixie Lee. This melon had weakness for environmental materials.

A leftover baked potato can be rebaked by dipping in water and placing in a 350 degree oven for about 20 minutes.
