

"I'LL GIVE YOU \$1,000 WHEN YOU BUILD A HOUSE FOR MY CHICKENS"

Frank Perdue

Recently, we've been spreading the word about the benefits of growing with Perdue. And to date, over 290 farmers in the area have built Perdue houses. But we still need more producers to satisfy the growing demand for Perdue products.

So if you've been thinking about building a Perdue broiler house, or if you're considering expanding your existing broiler operation, here's an extra incentive: for a limited time, Perdue will give you \$1,000 for each broiler house you build. All you need to do is have your Loan approved and grade work completed by November 30, 1981. We'll send you a \$1,000 check for each house you build when your first flock of chicks is delivered. The money is yours to do with as you please.

There's never been a better time to talk chicken with Perdue.
