

4-H Volunteers Attend Convention

Some 300 adults from across North Carolina gathered in Raleigh Oct. 24-25 for a Volunteer 4-H Leader Convention.

The convention theme was "Volunteers: Building With 4-H". During the meeting the 4-H leaders discussed their particular involvement in county or district programs and participated in idea forums, leadership minicourses and project leader workshops. Other convention features included an idea fair, a

luncheon honoring Dr. T. C. Blalock, who is retiring as director of the N. C. Agricultural Extension Service, and a dinner.

Held at the McKimmon Center on the North Carolina State University campus, the convention was planned and conducted by volunteer 4-H leaders who represented all six Agricultural Extension Service districts.

The Extension Service conducts the 4-H program for more than 95,000 Tar

Heel youngsters through county offices with the assistance of more than 15,000 volunteer leaders. In addition, some 22,000 youths are enrolled in the 4-H type Expanded Food and Nutrition Education Program.

Attending the convention

from Chowan County were Yates and Mary Julia Parrish of Rt. 2, Edenton. Mrs. Parrish served on the election committee for electing to serve as a director for the North-eastern District. They both are leaders of the Yeopim 4-H Club.

In the United States District Court
For The Eastern District
Of North Carolina
New Bern Division
CIVIL ACTION
No. 77-0011-CIV-4
Morris L. Garrett, et al.
Plaintiffs,
v.
Weyerhaeuser Company, et al.,
Defendants

NOTICE B
Notice of
Settlement Hearing and
Proposed Dismissal of
Class Action Proceeding
Notice of court hearing on proposed settlement of class action claims in hereby given to all non-salaried black persons employed by Weyerhaeuser Company at its Plymouth, North Carolina facilities known as the Fiber Division and Wood Products Division at any time since June 1, 1964 to date, who claim to have been adversely affected, limited, classified, restricted or otherwise discriminated against in employment opportunities because of race in ways which tend to deprive

them of equal employment opportunities.

On February 7, 1977, forty black employees of Weyerhaeuser Company filed this civil rights action alleging that the Company, United Paperworkers International Union, AFL-CIO, its Local 1356 and 1423, International Brotherhood of Electrical Workers, AFL-CIO, its local 1183 and International Union of Operation Engineers and its Local 415 discriminated against them and other black persons on the basis of race by denying black employees equal employment opportunities at Weyerhaeuser's Plymouth, North Carolina facilities. Plaintiffs allege that the employment practices of the Company and the unions violated Title VII of the Civil Rights Act of 1964 and the Civil Rights Act of 1968.

Pursuant to plaintiffs' motion, the Court allowed the plaintiffs to represent other black employees described as follows: All black persons employed by Weyerhaeuser Company at its Plymouth, North Carolina facilities known as the Fiber Division and Wood Products Division at any time since June 1, 1964, who have been adversely affected, limited, classified, restricted or otherwise discriminated against by the defendants (the Company and the unions) because of race or in ways which tend to deprive them of equal employment opportunities.

Black persons who sought employment but were not employed, and black salaried employees, are not included in the class and are not involved in this proceeding. However, all non-salaried black persons who were employed or have remained employed by the Company in Plymouth, North Carolina at any time since June 1, 1964, are included in the class and are affected and bound by this action. The Company and the unions have denied and continue to deny that they have discriminated against any black employee and the Court has not made findings supporting or refuting the claims of the plaintiffs. However, the plaintiffs, the Company and the unions have agreed on a proposed settlement and have requested that the Court approve the settlement.

The Court has scheduled a hearing to consider the proposed settlement for November 30, 1981, at 2:00 P. M. in the United States District Court, on the second floor of the Alton-Lennon Building at the corner of Water and Princess Streets, Wilmington, North Carolina. A copy of the proposed settlement for November 30, 1981, in inspection at the Personnel Office of the Company in Plymouth, North Carolina and at the Office of the Clerk, United States District Court, United States Post Office and Courthouse, Middle Street, New Bern North Carolina.

Any non-salaried black employee, who has been employed by the Company at Plymouth, North

Carolina at any time since June 1, 1964, may comment on, object to or approve the proposed settlement. If any such employee wishes to comment or object to the proposed settlement, he or she must put his or her comments or objections in writing and file them with the Clerk, United States District Court, Post Office Box 1336, New Bern, North Carolina 28560 on or before 2:00 P.M. on November 16, 1981. Comments or objections should indicate the name of the case, Garrett v. Weyerhaeuser Company, Civil Action No. 77-0011-CIV-4. The Clerk will forward copies of any such comments or objections to counsel for the plaintiffs, the Company and the unions.

The plaintiffs and class members in this case are represented by J. LeVonne Chambers and Ronald L. Gibson, Chambers, Ferguson,

Wait, Wallas, Adkins & Fuller, P.A., 951 South Independence Boulevard, Suite 730, Charlotte, North Carolina 28202, Telephone No. 704-375-8461. If any class member has questions or would like assistance in preparing comments on or objections to the proposed settlement, he or she may contact either Mr. Chambers or Mr. Gibson or any other attorney of the class member's choice. Again, any comments or objections must be filed with the Clerk in New Bern, North Carolina on or before 2:00 P.M. on the 16th of November, 1981.

If a class member does not file objections, the Court will assume that the class is in agreement with the proposed settlement.

This 26th day of October, 1981.
