

Bloodmobile Visit Slated

The bloodmobile will visit Edenton on November 24 at the Edenton Methodist Church from 12 noon until 6 P.M.

To meet the urgent need for donors the Edenton-Chowan Chamber has been asked to contact area businesses and manufacturers to enlist their support. You will be visited this week to discuss how your organization can help.

Chowan County residents use more units of blood during a month than is collected at the bi-monthly visit of the bloodmobile. The support of all of our citizens is needed for this vital program.

Sermon Topic Is Chosen

"We Grateful Stewards?" is the topic for the Sunday morning sermon to be preached by Rev. R. R. Blankenhorn at the Edenton United Methodist Church on November 22, at 11 A. M. The text for this message is Psalm 116:12.

The 1961 Charge Conference will be held on Thursday, November 19, 7:30 P. M. Rev. Kermit L. Braswell, Superintendent of the Elizabeth City District will preside. The Charge Conference "church report" will be given by "Homeni and Greta", two very unusual characters. Don't miss it!

The Men's Bible Class will meet at the church for breakfast on Sunday, November 22.

Circuit Rider Sunday, the conclusion of the stewardship campaign, will be observed on Sunday, November 22. All member-families of the church will be called upon by a "circuit rider" during the afternoon.

The American Red Cross Bloodmobile will be at the church on Tuesday, November 24, from 12 (noon) to 6 P.M.

The Thanksgiving Holy Communion Service will be held at St. Paul's Episcopal Church, Wednesday, November 25, 7:30 P. M. This is a joint service of the Edenton United Methodist Church, St. Paul's Episcopal Church and First Presbyterian Church.

Social Security

By Lee Wallio
Field Representative

MORE THAN A NUMBER

An applicant for a Social Security number is required to furnish proof of age, identity and United States citizenship or legal alien status.

This information is forwarded to Social Security headquarters in Baltimore where it is screened against all the other numbers that have ever been issued.

If no prior number is located, a new one is then issued.

It takes about 6 weeks from the time a person applies and furnishes all of the required evidence for the Social Security card to be issued.

The importance of a complete and accurate Social Security record cannot be overemphasized.

The right to Social Security benefits and the amount of the monthly check are determined by the individual's work record and earnings from Social Security covered employment.

Since many people have the same name and cannot be distinguished from each other on that basis, the nine-digit Social Security number was designed to serve that purpose.

Many private organizations now use the Social Security number as an identifier for their own records, but this use is neither authorized nor approved by the Social Security Administration.

Individuals cannot be required to furnish their numbers to private organizations. Any such arrangement is a private matter between the person and the organization.
