

Letter To The Herald Editor

Following is a list of Chamber members that have, to date, renewed their 1982 membership. As you know our membership campaign for this next year is underway and the membership teams are visiting area businesses.

For the most part the members listed have supported us to the full extent requested. If those yet to renew their membership would provide the same degree of response the Chamber will be able to continue to give the level of service needed. I'm hopeful

that this will be the case. The help you are providing is greatly appreciated.
