Participates In Exercise

Army Pfc. Michael Moore, son of Julia Moore, 125 East Albemarle, Edenton, participated in training exercise Bright Star, designed to test the U. S. ability to deploy troops to the Middle East.

The service member is part of a 4,000-man American force that took part in joint maneuvers with Egyptian force military personnel near Cairo.

A wireman, Moore is assigned with the 82nd Airborne Division at Fort Bragg. He is a 1980 graduate of J. A. Holmes High School, Edenton.

Lt. Green Gets Promotion

Lt. Col. J. Larry Green, head of the Department of Military Science at Saint Augustine's College, was recently promoted to the rank of full colonel. In addition to heading Saint Augustine's Reserve Officers Training Corps (ROTC), he continues to effectively provide supervision and guidance of ROTC extension center programs at Elizabeth City State and Shaw universities.

Prior to assuming ROTC duties at Saint Augustine's College, Col. Green commanded the Second Battalion, 17th Field Artillery and Camp Pilham near the Korean Demilitarized Zone. He has held numerous command and staff positions including that of Inspector General and Operation War Plans Officer at the Army's Forces Command Headquarters. Col. Green, an ROTC graduate of Tennessee State University, also holds the MA degree in management and supervision from Central Michigan University. His military decorations include the Legion of Merit, two Meritorious Service Medals, two Bronze Stars, two Air Medals, two Army Commendations and two Air Force Commendations.

New Course To Be Taught

Officials at Beaufort County Community College announced this week that the Carpentry and Cabinet-making Program will offer a course in millwork and cabinetmaking for the first time during the up-coming winter quarter.

Offered on a Monday, Wednesday, Friday schedule the course involves a total of 220 hours of instruction and shop experience for which ten credit hours are awarded by the college. Meeting Mondays and Wednesdays from 8:30 A. M. until 4:30 P. M. and Friday from 8:30 A. M. until 1:30 P. M. The course will last for eleven weeks from January 6 until March 23.

Hands - on experience in the shop is augmented by classroom work as students study and perform cabinetmaking and interior trim and finish work as practiced by the General Contractor in Residential and Light Commercial Construction and Remodeling. Emphasis is placed on developing a working knowledge of wood, wood products, hand and power tools, jointery, design and layout, and construction of cabinets and their sub-assemblies. This is not a hobby-type course. It is designed for the serious student desiring a firm, basic education in cabinetmaking. There are no prerequisites.

Registration for the course is January 5, 1962, at the college. Cost is \$2.50 plus text (which is approximately \$20.). For information about this or other courses call 946-6194.

So far, our longest-lived president was John Adams, who lived to be nearly 91 years old.
