Joins Dental Staff

In November a new member joined the staff of Dr. Lonnie Sick as a full-time dental hygienist. Mrs. Lori Barnette Goodwin, a

native of Shelby, is the daughter of Mr. and Mrs. Bob Barnette of Shelby, and wife of Edward C. Goodwin of Edenton.

Mrs. Goodwin attended Peace College in Raleigh and entered the University of North Carolina School of Dental Hygiene at Chapel Hill. While at U.N.C. she pursued a senior year in-depth study in periodontal hygiene. Periodontics remains her special in-

terest. Upon graduation from the School of Hygiene she took a position as hygienist in Shelby. Mrs. Goodwin has undergone an unusually busy autumn, 1981. Within a few days time she married Eddy Goodwin on October 24, moved to Arrowhead Beach, Edenton, and began her employment with Dr. Sick, whose office promptly began its own moving process.

As Dr. Sick's staff settles into the new location on Mark Drive, Mrs. Goodwin looks forward to quieter times in Edenton.

Safety Tips

NORTHBROOK, Ill. — Christmas is a time for decorating the tree, crackling fires, toys wrapped up in brightly colored packages, gaily colored strings of lights and families gathered together to celebrate the season.

Christmas also is a time for fires, many of which will be traced back to Christmas trees and decorations, and many of which can be avoided.

"In the hustle and bustle of the season, it's easy to forget common sense safety rules," warns Robert Seelbach, Underwriters Laboratories vice president and chief electrical engineer.

"Don't give a Sony unless you mean it."

That probably sounds a little strange to you.

After all, we're in the season where everyone is shouting "Buy, buy, buy!" And here I am telling you don't buy.

I've got Sonys in my store, lots of great Sonys. Like Trinitron. Betamax. Walkman. Portable stereo. And more.

But listen, Sony is a very special kind of gift. Giving a Sony to someone says you appreciate them. It says they're special.

So by all means, come in and see my Sonys. But even more important than deciding what Sonys to buy, is deciding just who you want to buy them for.
