Card Of Thanks

CARD OF THANKS I wish to express my heartfelt thanks to my friends and neighbors for their kindness and sympathy shown during the loss of my brother and the hospitalization of my mother. Each comforting thought, expression, and act is deeply appreciated and

will always be remembered. Special thanks is given to the Edenton-Chowan Rescue Squad, the Sheriffs Department, the N. C. State Highway Patrol, and the doctors and nurses of Chowan Hospital, especially Dr. Voigt. My family and I are deeply grateful to you

God bless each of you. Marjorie T. Allen

Feed Purchase Major Expense

U. S. farmers spent over \$136-billion in 1980 to produce crops, livestock, and poultry, topping the previous year's \$134-billion level. According to the U.S. Department of Agriculture and the North Carolina Crop and Livestock Reporting Service, this averages over \$56,000 per farm, nationally.

Feed purchases at \$20.1billion, up 12 per cent from 1979, were the major expenditure for farmers. Purchases of livestock and poultry followed at \$17.4billion, down 19 per cent; rent at \$11.9-billion, up 16 per cent; farm machinery and equipment at \$11billion, down 8 per cent; interest at \$10.6-billion, up 20 per cent and fettilizer at \$10.2-billion, up 16 per cent.

During February and March, enumerators from the N. C. Crop and Livestock Reporting Service will interview a crss section of North Carolina farmers as part of a nationwide program to determine 1981 production costs.

James L. Olson, N. C. Statistician - In - Charge. points out that information about the farm production outlays is important in comparing the farmer's well-being with that of other groups in the nation's economy. He adds that all responses will be confidential and only regional and National summaries will be published.

Peoples Bank Adopts IRA Plan

ROCKY MOUNT Peoples Bank and Trust Company has designed a program of Individual Retirement Accounts (IRA) that make it easy for everyone to have a taxsheltered retirement account.

This broad-based appeal was the intent of the new law that took effect this year, according to William H. Stanley, chairman and chief executive officer. "With two competitive interest rate options and four ways of depositing," said Stanley. "we feel we are complying with the spirit of the law.'

Peoples Bank customers can choose a fixed rate IRA with a \$500 minimum deposit or a variable rate account with a low \$20minimum monthly deposit," said Stanley.

The variable rate is adjusted the first of each month and will never be less than the discounted 91-Day Treasury Bill rate. Both the fixed rate and variable rate accounts carry 18-month maturities and are renewed automatically.

Interest is compounded and apaid quarterly and customers will receive semi-annual statements showing balances, rate changes and transactions for the previous six months.

Peoples Bank offers four convenient methods of deposit including lump sum, payroll deduction, automatic transfer from savings or checking and a convenient coupon book for over the counter and mail deposits.
