

Letter To The Herald Editor: Volunteer

Dear Editor:
Volunteerism is not out! A group of young men in our community who are members of a vital service organization still believe in the philosophy that service to humanity is the best work of life.

The Edenton Jaycettes would like to say "thank you" to the Edenton Jaycees during National Jaycee Week, January 17-23. This dynamic group of young men has been active in Edenton for 34 years.

During the past year, the Edenton Jaycees have run many projects that have benefitted the community as well as the state and nation.

The Jaycees organize and run the Bloodmobile in Chowan County. It is through this effort that blood is available to the members of our community when it is needed.

The Edenton Jaycees sold 1800 jars of grape jelly last year with all proceeds going to help build the N. C. Jaycee Burn Center at N. C. Memorial Hospital in Chapel Hill. The Burn Center is now open with a capacity to house 23 burn victims from across the state of North Carolina.

The Jaycees provided

manpower to help run the Special Olympics last spring.

During the Pilgrimage, they sold fried chicken dinners to provide a food alternative for citizens of our community and visitors.

The Edenton Jaycees assisted the Optimist Club with the 4th of July celebration in Edenton.

The Holmes High School football team went to the Boys Home Game in Greenville last summer - compliments of the Edenton Jaycees.

The Jaycees also supported Holmes High School by operating concessions during football games with most of the profits going to the school.

The Edenton Jaycees raised a substantial contribution to Cystic Fibrosis and Leukemia by hosting a Bike-A-Thon this fall.

The Jaycees made a monetary contribution to help build a Faith Chapel at Murdock Center, home for the multi-handicapped.

In October, adolescents and adults were guided through the thrilling, yet terrifying, Jaycee Haunted House.

The Edenton Jaycees assisted the Edenton

Chamber of Commerce with the annual Christmas Parade. On the day of the parade, it was the Jaycees who lined up the floats and various units and made sure that all went well.

Each year, the Edenton Jaycees help needy children in our community be blessed by Santa Claus who, for some reason or other, was to have by-passed their chimneys on Christmas Eve.

The Jaycees cater meals to large crowds at the

Jaycee Building.

The Edenton Jaycees provide entertainment for people of all ages in our community.

Many times, the accomplishments of the Edenton Jaycees are forgotten by the community. It is with pride that we hail our Jaycees for the many things they have done for our community during the past year.

MEDICARE
DEDUCTIBLES
INCREASE IN 1982

The Medicare hospital insurance deductible, the amount a Medicare patient must pay when he first receives hospital inpatient services in a benefit period, has been increased to \$260 in 1982.

The 1981 deductible was \$204.

Also increased are the daily amounts patients must pay after specified lengths of stay in a hospital or skilled nursing facility.

After 60 days of inpatient hospital care in a benefit period in 1982, Medicare will pay for all covered costs except \$65 a day.

The 1981 figure was \$51. For each reserve day of inpatient care, Medicare will pay for all covered costs except \$130 a day.

The 1981 figure was \$102. After 20 days of care in a skilled nursing facility, Medicare will pay all covered costs except \$32.50 a day.

The 1981 figure was \$25.50. The Medicare medical insurance annual deductible is also scheduled to increase in 1982, the first increase since 1973.

The 1982 annual medical insurance deductible will be \$75, up from \$60.

Medical insurance generally pays 80 per cent of the approved costs or

charges for covered services and supplies after a person incurs covered charges equaling the annual deductible.

More information about Medicare coverage is available toll-free by dialing 1-800-672-3071.

Card Of Thanks

I would like to thank Dr. Hardin, Dr. Lane and the entire staff of Chowan Hospital during my recent stay in the hospital.

May God bless you all.

Perquimans Bloodmobile

The First United Methodist Church on Market Street in Hertford will be the site of an American Red Cross bloodmobile on Tuesday. Sponsored by the Perquimans Jaycees the drive is scheduled from 12-noon to 6 P.M.

The community wide drive has a goal of 85 pints of blood. All area residents, regardless of whether they have donated in the past are encouraged to participate in the drive. Chairman for the day is Tommy Riddick. Individuals wishing to schedule an appointment or needing additional information may call him at 426-5802 during the day or 426-5040 evenings.

Donations can be made with or without an appointment.

January bloodmobiles are particularly important because donations are traditionally low following the holiday season. Most individuals who must have elective surgery schedule it for January, in order to avoid being in the hospital during the holidays. In addition, January usually sees an increase in consumption, and a decrease in collections because of poor weather and donor sickness.

Tidewater Regional Blood Services of the American Red Cross supplies the total blood and blood component needs of some 58 hospitals in Eastern Virginia and Eastern North Carolina. The hospitals require daily collections of at least 460 units to meet patient needs.

RECEIVES PLAQUE FOR SERVICE - Sammy Morris, right, recently received a plaque for 11 years of service as a farmer committeeman for the Agricultural Stabilization and Conservation Service. Replacing him on the committee will be J. C. Nixon, Jr. Presenting the plaque is Livingston Roberts, the new District Director for the Northeastern N. C. Counties.
