Missionary Opportunities

Did you ever think about being a Missionary? Most Christians have. Today there is far more opportunity for young and old alike to become one. A recent widow, secretary for a President of a large firm in Texas, children married, takes off for Korea to be the Secretary for the vice-Administrator of the "Jesus" Hospital in Chonju for one year. The hospital had put through a "Need" call. She responded. A surgeon in that hospital needed to come home for six weeks on family business. A retired surgeon from New York responded to the call to go. In Nepal, the call went out for someone to supervise the construction of a new hospital. A doctor in Malawi, Africa heard of the need, contacted his friend in Scotland who was a construction engineer. He is now

SELECTED AS YOUNG CAREER WOMAN — Mrs. Susan Harrell Birkhead, center, was recently selected by the Edenton BPW Club as Young Career Woman. Also participating in the competition was Miss Martha Harney, left. The BPW Club is chaired by Mrs. Martha Jo Hollowell.

Mrs. Birkhead Wins BPW Honors

Mrs. Susan Harrell Birkhead, an art instructor of Edenton, has been named a Young Career Woman by the Edenton Business and Professional Women's Club. Mrs. Birkhead, who is employed by the Edenton-Chowan School System, will represent the Edenton BPW Club in a District YCW competition when the district federation holds its annual meeting in April in Plymouth.

Judging was based on the candidate's career achievements and ability to project an image reflecting the role of today's young women in society. The Young Career Woman Program, inaugurated by the National Federation of Business and Professional Women's Clubs, Inc., in 1963, highlights the achievements of young career women and is one of many programs sponsored by BPW to elevate the status of women.

Mrs. Birkhead is a graduate of John A. Holmes High School and Longwood College in Farmville, Virginia. Miss Martha Harney also participated in the YCW program competition. Miss Harney is employed by the Bertie County Schools as a Kindergarten teacher. Judges for the event were Lee Bass, John Morehead, and Marguerite Burch. Miss Martha Jo Hollowell was chairman of the Young Careerist Program.

From The Bandon Notebook

By Maggie B. HI, NEIGHBORS! We were called by Uncle Willie's friend to come to Brigantine at once if we wanted to see Willie alive. The doctor had told both he and Willie that Willie could go at anytime - and - there was a possibility that his foot would have to be amputated. We left Arrowhead on Tuesday, picked up Willie's daughter, planning to return on Saturday. But, we were snow-bound in New Jersey with temperatures of 5 to 10 degrees below zero, plus high winds! Seemed almost like a heat wave when we got home late last Tuesday night!

As I look back, I believe God had a reason for keeping us there longer than we had planned. It gave us an opportunity to see true friendship in action - to observe the loving care given by a friend to the friend he loved. It brought to mind these words of Edward Clarendon: "Friendship hath the skill and observation of the best physician, the diligence and vigilance of the best nurse, and the tenderness and patience of the best mother." It also reminded me of just how precious friendships are. It forced me to realize that if we have a friend we love, it is so important to let her or she know it before it is too late. Share your faith with your friend, your gratitude, encourage each other, rejoice together and cry together. Remember you belong to each other. So far as I'm concerned, friends are far more precious, more to be desired and more valuable than all the world's wealth.

After the heavy rains Saturday, this Lord's Day dawned clear and crisp - just right to enter the church of your choice to praise God for His countless blessings. The fine folk assembled at Bandon Chapel for Sunday School were joyfully welcomed by Supt. Meta Mason. They were treated to

an inspiring lesson by B. Kent Rowley, entitled "Jesus Affirms His Own," Luke 3:15-22; 7:19-23. Bible truth brought out was that Jesus affirms His people in times of discouragement. Aim was that students would identify reasons for continuing to trust even when disheartened.

Prayer List: In my opinion, prayer is the most powerful force in this world today. Please add our friends to your prayer list: After undergoing tests at Norfolk General Hospital, it was determined that George Logan did not need open heart surgery. He needs your prayers; Lola Castleberry is now home recovering from her recent surgery; Mrs. Mattie Nixon is confined to Leigh Memorial Hospital, Chesapeake, Va.; Jack Harvey, nephew of Bobbie Jean Holt, broke his arm in four places, plus other injuries, when he fell about 20 ft. during training exercises with the Norfolk Fire Department recently. He is now home and they were finally able to put a cast on his arm. He needs your prayers; please remember my brother, M. W. Darden; Tom Blanchard, Karen Whitley, Wm. T. Webb of Brigantine, N.J.; Jean Johnson, Helen Skinner, Jerry Marlowe, our Nation, its leaders and its people, our missionaries and our Pastor, Rev. Robert S. Harrell and his family.

"Happy Birthday" was sung by all in honor of Elizabeth Dale and "Happy Anniversary" was sung in honor of Butch and Rose Smith as they placed their contributions in our Birthday Bank.

At the Worship Service, the Shepherd of Bandon's flock, Rev. Robert S. Harrell, brought a powerful message entitled "What Mean These Stones", John 8:31.

Pastor Bob and his wife, Janie, will be visiting their daughter next Sunday. The message will be brought by our home missionary, Stan Turbyfill. Be sure to come out to hear this spirit-filled young man.

PLEA FOR HELP — The people of Arrowhead Beach Sun-Division have worked long and hard over the years (not receiving nor expecting any pay for their efforts) to make our community a desirable and lawful place to live. Now, we need help! Outside vandals are coming into our community bent on destruction! During the past two weeks fourteen traffic control signs, our beautiful Sub-Division entrance sign, three road name signs, three parking control signs and six mail boxes have fallen victim to these vandals. The cost of replacing the signs by the Highway Department equals the average salary of a working man for a whole year!

Naturally, the people of Arrowhead Beach are irate - they fail to understand this type of conduct for no reason at all - and - why the vandals would subject themselves to the possibility of fines and punishment.

We urgently request that anyone having information

regarding the identity of the vandals contact Al Howard, POA Board, President, at 221-4977. Any assistance at all will be greatly appreciated. Information received will be kept confidential.

Don't forget our Covered Dish Dinner following the Worship Service Sunday (31st). You may bring your dish or dishes with you - put them in the refrigerator or on the stove - or you'll have time to go home and get them. Join us in this time of good food, fun and fellowship.
