

## Essay Winners Are Recognized

American History Month will be observed by the Edenton Tea-Party Chapter DAR at a luncheon meeting at Boswell's Restaurant on February 10. The winners of the American History Essay Contest, which was held recently, will be present to read their essays to members, parents and friends.

The NSDAR designated February as American History Month in 1952 and, as part of its observance, a contest has been held each year in grades 5, 6, 7 and 8. Children all across the country are encouraged to take part.

"A Famous American Born in February" was chosen as the theme for the 1982 contest, for this year marks the 250 anniversary of the birth of George Washington. Research helped the students discover many other famous Americans who were also born in February 1900 and who had great influence on American history.

The local winners in the contest were Peter John Mitchener, Benjamin Calvin Hobbs, Robin Bass and Margaret O'Leary.

All winners were students of Mrs. Betty Bissette, who is an instructor at Swain Elementary School and also Chowan High School.

## Card Of Thanks

We would like to express our sincere thanks to the Hospital Staff, Dr. Walsh, Dr. Wright, and the nurses for the attention and care given to our brother William Riddick, while a patient in the hospital. We are deeply grateful for every deed rendered him. We would like to thank our neighbors, and friends for food, visits and phone calls and especially for the prayers offered in our time of sorrow. It made our loss much easier to bear because of your concern. May God bless each of you.
