

**RECEIVES CERTIFICATE OF GRADUATION** — Warren J. Twiddy, right, president of Twiddy Insurance and Real Estate in Edenton, recently completed courses to graduate from the Institute at Chapel Hill, N.C. Presenting the certificate of graduation is Harold Tucker, CPCU, President of the Institute.

### Twiddy Is Graduate

CHAPEL HILL — Warren J. Twiddy of Edenton recently received a certificate of graduation from the Institute of Insurance at Chapel Hill, N.C. Twiddy, president of Twiddy Insurance and Real Estate, completed four one week courses in insurance subjects to qualify for graduation.

The Institute of Insurance is conducted twice annually on the UNC campus by the

Independent Insurance Agents of North Carolina, Inc., and offers a variety of insurance courses for both agency and company professionals. The Institute, in its 42 year, has an annual registration of nearly 400 students.

The IRS offers reward money to people who tattle on tax cheaters. Don't expect to get rich, though. Last year most people got less than \$900 and that reward was taxable as income!

### Holmes Band Participates

Held annually in Washington, D.C., the Cherry Blossom Festival is THE biggest site of Spring in the Nation. On April 3, the John A. Holmes High School Marching Aces Band will be right in there with the best of them, helping 7,000 other band students triumphantly climax this national celebration during the Parade. With a massing of bands in a "Salute to the President," the parade, embodying fully military pagentry, is the largest patriotic musical event ever held in the Nation's capital. Otis Strother, band director, explains the honor of participating in the Festival Parade. Only two bands from each state are eligible to appear annually, and applications to do so must be made a year in advance. Part of the application includes pictures and a taped recording to determine ability.

"This is a first for our 100 strong band", Strother said, "and naturally we're all excited and delighted to have been selected for this opportunity." "The Parade is so big," he explained, "that our unit number is 322." Students will line up at 9:30 A.M. for the parade, which does not begin until 1:00 P.M.

Although some band units band to gain experience," Strother noted. With Mr. and Mrs. Al Everson, Mr. and Mrs. James Bemby, Mr. and Mrs. Dick Taylor and Mr. and Mrs. Otis Strother as chaperones, the bands plans to take full advantage of that which the nation's capital has to offer over the week-end. Tom Ellis, local attorney, has made arrangements for the students to meet Republican Senator Jesse Helms on Friday. Visits to the National Cathedral, Arlington Cemetery, Capitol Building, Smithsonian Institute, FBI and other national monuments head priority lists for sightseeing.

Washington's Cherry Blossom Festival has been a national celebration since 1912 when Mrs. William Howard Taft, wife of the president, helped plant the lovely trees around the Tidal Basin in Washington's Potomac Park. Through the 1920s and 1930s, the blossoming of the trees signaled a wave of social events in the capital area. After World War II, an annual formal national festival was planned. In 1954 the parade was added, with emphasis on national participation. In addition to bands from each state, there are princesses from each state, one of whom will be crowned Queen of the Cherry Blossom Festival in ceremonies Friday night before the parade on Saturday.

### Two Attend Workshop

Edenton residents Mary Rhea Gardner, treasurer, Chowan County Chapter and Terry Wackelin, membership chairman, attended the annual N.C. Symphony chapter workshop March 22 and March 23 at the Institute of Government in Chapel Hill.

Sixty-five volunteer representatives from 14 chapters were briefed on the reorganization of local support groups, plus the symphony's educational program, subscription drives, and concert publicity.

In her lifetime, one terrace queen can give birth to 500 million offspring.
