

**"Outdoors"**

Any residents of Chowan County interested in knowing where to go and what to do outdoors on any given day or weekend in North Carolina can now just look at the new "Outdoors North Carolina Calendar" available from the state Department of Natural Resources and Community Development.

The calendar was published by the state agency to promote the hundreds of outdoor events and celebrations featured all across North Carolina from Spring to Fall.

Each month is highlighted by a full-page illustration depicting the theme of that month.

To order a calendar, offered at cost, send \$1.50 to Outdoors North Carolina Calendar, NRCD, P.O. Box 27687, Raleigh, N.C. 27611.

Are you into solar energy? Well then, why not use sun-power to brew your iced tea this summer? It's called "sun tea," and it originated in the southwest desert country where iced tea is served year-round.

To make this failproof thirst-quencher, just suspend 4 tea bags in a quart jar of water, add a lid and set it in the sun for 4 to 6 hours. "Old Sol" does the work, extracting tea flavor and creating a sparkling clear golden beverage, ready for ice cubes and sugar to taste.

For an especially nice iced tea, use Constant Comment, the very first orange-and-spice tea. It was created nearly 40 years ago and is an original recipe of the Bigelow family.

For additional variety, try our Lemon Lift or Plantation Mint. If you're into herb teas, we recommend Nice Over Ice or Feeling Free. They also make wonderful summer refreshers.

Mrs. Philip Craig Miller

**Miss Goodwin, Mr. Miller United In Marriage**

Miss Thelma Anita Goodwin and Mr. Philip Craig Miller were united in marriage April 17 at twelve o'clock noon in Macedonia Baptist Church, Edenton, by Rev. Charles E. Ledford. The bride's parents are Mr. and Mrs. William Edward Goodwin of Edenton. Mr. Miller is the son of Mr. and Mrs. Burd D. Miller of Columbus, Ohio.

The main altar of the church was lighted by two pillar candles accented by a nine branch candelabra with white calla lilies, variegated pink and white lustige with tulips imported from Hilland, variegated pink and white azaleas, white and pink snapdragons, white mums and Oregon fern. The chancel of the church had two nine branch candelabras and Oregon ferns.

Given in marriage by her father, the bride was wearing a wedding gown of white satin and English net with Alencon lace. Reembroidered lace with sequins and seeded pearls fashioned the natural princess fitted bodice which featured a juliet neckline and elbow length satin, puffed sleeves accented with silk flowers at the shoulders. The flared skirt had touches of lavish lace and pearls treatment that extended into an attached chapel-length train.

Scalloped re-embroidered lace circled the hemline of the skirt and train. Her chapel-length veil of illusion was attached to a juliet cap. The bride wore long, white, leather gloves to complement her gown and a string of pearls, a wedding gift of the groom. She carried a cascaded lady-di nosegay of white, southern belle roses, California cascade white cymbidium orchids, paper white narcissus and English ivy.

Miss Sherry Bennett Bond of Richmond, Virginia, maid of honor, wore white gloves and a gown of chalk mauve taffeta. Bridesmaids were Mrs. Edward Charles Goodwin, sister-in-law of the bride, of Edenton; Mrs. Robert Esward Kirkland, III of Wilson; Miss Margaret Hunter Dudley of Raleigh; Miss Jean Moses Byrum of Charlotte; Miss Janet Marie Liles of Raleigh, and Miss Kathi Lynn Manning of Bethel. They were identically attired like the honor attendant and carried identical wedding rings.

Kandy Wallace of Myrtle Beach, South Carolina, was best man. Ushers were Cal Dennis Goodwin and Edward Charles Goodwin, brothers of the bride, of Edenton; Timothy Alan Miller, brother of the groom, of Cincinnati, Ohio; Robert Lee Reid of Raleigh; John Franklin Mills of Winston Salem; Samuel Hamilton Porter, Jr. of Columbus, Ohio. Clinton Edward Goodwin and Wade Dennis Goodwin, nephews of the bride, were junior ushers. Mrs. Mack Snell was mistress of ceremonies, assisted by Mr. David Lowe, cousins of the bride, of Roper, North Carolina, who also were in charge of all decorations.

Mrs. Cal Dennis Goodwin, sister-in-law of the bride, stood at the church wedding register. The bride's mother wore a blue lustre chiffon dress with matching blue shoes. The groom's mother wore a salmon silk chiffon dress with matching shoes. Each mother had a corsage of a white cymbidium orchid. The groom's father was dressed as his ushers and sat with Mrs. Mrs. Miller during the ceremony. Following the ceremony, the bride's parents entertained at a reception at the American Legion Building. The spacious main serving table was centered with a grouping of octagon white vases with identical flowers as for the wedding and thirty-six inch, white, taper candles.

School in Wilson. Her husband is a graduate of Columbus Academy and Wake Forest University. He is associated with Concept II Realtors and Miller Construction.

After a wedding trip to the Virgin Islands, the couple will reside in Raleigh.

Rehearsal Dinner Friday evening, April 16, the bridegroom elect's parents, Mr. and Mrs. Burd D. Miller, hosted the rehearsal dinner at Boswell's Restaurant, Edenton. The head table was graced with a large Colonial Edenton Bouquet. Auxiliary tables were centered with an array of spring flowers and candles.

Following the seated dinner, Miss Jean Byrum of Charlotte and Mr. and Mrs. George Alma Byrum entertained at a party at their lovely home on Chowan River.

Bridesmaids Luncheon Friday, April 16, Mrs. Paul Sexton, Mrs. John Spruill, Mrs. Glynn Lowe, the bride-elect's aunts; Mrs. Mack Snell and Mrs. Rudy Askew, cousins of the bride-elect, all of Roper, honored the bride-elect, her attendants and other honored guests at the home of Mrs. Richard Glynn Lowe. Tables were beautifully decorated with spring flowers and each one's

**INSIGHT INTO EYESIGHT**

DR. A. F. DOWNUM, JR. OPTOMETRIST

**The Three-In-One Lens**

Some people have serious problems in seeing things clearly at any distance: closeup, nearby, or far away.

If it's an astigmatism, a single-vision lens can solve the problem. The defect in the shape of the cornea, "the window of the eye." The uneven shape causes two points of focus instead of one, resulting in blurred vision. This is just one vision problem.

But when someone has three vision problems or needs correction in three different areas, he may want to consider a trifocal lens. For example, take a bookkeeper with this kind of problem. He makes entries or checks figures on the records in front of him. At the same

time he may be working with a desk computer or adding machine a short distance away. And he has to be able to see across the room when someone wants his attention.

Most people can get along well with single lens or bifocals at work or at home. But if they need trifocals to do specialized work in comfort and without eye strain, it's good to know they're available.

**Mouthwash Won't Remove "Film"**

TV ads will tell you that mouthwash will remove the "morning film" on your teeth. But you won't find a dentist who will agree with that! They opt for good flossing and a well-placed toothbrush for clean teeth and healthy gums.

Plaque is a colorless film that adheres to the teeth, especially along the gum line and in tooth crevices. This coating is only ONE of the sources of bad breath. More importantly, it contains bacteria that combine with sugar to form acids which create decay and irritate gums.

Brushing correctly is important, but flossing is also essential to be sure you get all those places where plaque can hide.

Plaque is invisible but it CAN be made brightly visible. It's not done by magic. It's done by disclosing tablets. They're made out of red food coloring which adheres to the plaque and colors what you missed bright red. Once you've discovered your problem areas, brush and floss until the red is gone. Remember, elbow grease, flossing and brushing remove "film", not mouthwash.
