Letter To The Herald Editor

Dear Editor:

I wish to personally express my gratitude to all those who helped to make Chowan's first May Play Day a success. To all the members and supporters of Chowan Arts Council, a special thank-you because they provided the resources and paid the bills. The Chowan Optimist Club did a tremendous job of keeping scores of children busy and happy. The members of Rocky Hock Community, who made available their facilities and provided a constant supply of food, were greatly appreciated.

The success of May Play Day proved several points, one of the most pleasing being the fact that our community is rich in artistic talent and ability. The entertainers, most of whom were local people who donated their time and talent, gave outstanding performances to appreciative audiences. The artists and craftsmen brought to the festival items of quality workmanship and artistic talent. It was especially good to have the participation of many who had not previously exhibited their work, and we hope they will continue to exhibit in future shows. Informative and attractive additions in the display area were the Public Interest Exhibits.

I would also like to thank all the visiting artists, craftsmen, and performers and I look forward to their joining us in future projects.

I have the sincerest praise and gratitude for the volunteers who served on the planning committees for May Play Day. These people worked countless hours during the past three months and did it willingly and with enthusiasm. Committee chairmen were: Terry Wackelin, Director of

the Outdoor Stage and Public Interest Exhibits; Mary Smith, Director of the Indoor Stage; Blanche Woodall, Art Show; Fran Ward, Crafts Show; Harriet Small, Literary Arts Exhibits; Cyndy Devine, Special Children's Activities; Lynn Ober, Maypole Dance; Hazel Bass, Decorations; Gil Burroughs, Design of Festival Area; Steve Evans, Stage Construction; Don Madry and Sammy Byrum, Sound Equipment; Betty Bass, Concessions; and Jake Boyce, Publicity.

Thanks, also, to the many individuals and organizations who loaned or donated items and to the

many volunteers who were drafted on-the-spot to help with numerous details.

May Play Day was surely a community-wide effort. I think it was such an enjoyable day because the right formula went into the making of it; the planning, preparation, and manual labor of hundreds of citizens and God's blessing of perfect weather and cooperative spirits.

And to all the people who came Saturday and enjoyed the offerings of the day: We're so glad you came, for it would all have gone for naught had you not been there.

Mary Ann Morris
Chairman, May Play Day

The Bandon Notebook: Honoring Mothers

Hi, Neighbors! Sunday is Mother's Day - a day set aside to honor all mothers everywhere. "Mother" is one of the most beautiful and meaningful words in our language. It embodies the very essence of "Home". As mother gently shapes the character of her children, she shapes the very destiny of nations. Abe Lincoln said

"All that I am or hope to be, I owe to my angel mother." The memory of my mother's love and sacrifice for her children and her last struggle to tell me "I love you" will live throughout the years in the shelter of my heart. Share with me the thoughts of Washington Irving:

"There is an enduring tenderness in the love of a mother to a son that transcends all other affection of the heart! It is neither to be chilled by selfishness, nor daunted by danger, nor weakened by worthlessness, nor stifled by ingratitude. She will sacrifice every comfort to his convenience; she will surrender every pleasure to his enjoyment: she will glory in his fame, and exult in his prosperity - and if misfortune overtake him he will be the dearer to her from misfortune; and if disgrace settle upon his name she will still love and cherish him in spite of his disgrace; and if all the world beside cast him off she will be all the world to him."

On this gorgeous Lord's Day it was a real blessing to be able to enter the church of your choice to praise, honor and glorify our Heavenly Father.

The fine folk gathered at Bandon Chapel for Sunday School were welcomed by Supt. Meta Mason who expressed her delight at seeing so many present, emphasizing that each individual was important and sorely missed when absent. Deacon Kent Rowley skillfully taught a thought-provoking lesson based on Rev. 2:8 - 11; 3:14 - 22, entitled "God Evaluates His Churches". It was brought out that churches could overcome both outside antagonism and internal apathy. Students were challenged to find the strengths and weaknesses that Christ might point out in their own church.

Prayer List: Dear tells us "...Prayer is the wish of the

family.

"Happy Birthday" was sung by all in honor of Kent Rowley and Margaret Bunting as they placed their contributions in our Birthday Bank.

At the Worship Service, Bandon's Shepard, Rev. Robert S. Harrell, warmly welcomed everyone, specially our visitors: Mr. & Mrs. Thomas Powell of Portsmouth, Va., guests of Mr. & Mrs. D.M. Parker; and Mr. Marion Phillips.

Pastor Bob's powerful message was based on 2 Cor. 12:7 - 10, "Is It God's Will?" Brief resume: We must always grow in God's Word. We need to bring our minds to church and to examine many of our passed-down ideas of how God moves and works in the world. He created all that is - He provided for our salvation - He sent His Son into the world to show us how to live and on the Cross, He provided a way for our sin - burden to be taken care of. He gives us freedom of choice, we have the freedom to respond to God or deny Him but with that freedom comes responsibility.

If a drunken driver causes an accident which takes the life of another soul, that's NOT God's Will but the responsibility of the drunken driver. When our health fails us because we have neglected or abuse our bodies, let it not be said when we die that "it was the will of God". Think on this. It is a "cop out" when we break all the rules and when the Piper has to be paid, we lay the blame at the feet of God.

We live in the kind of world where there are "thorns in the flesh" all the time and just because we become Christians doesn't relieve all the evil in the world, so we must pray for things that count. Even when we say "No" to God, God keeps working. Even in the midst of tragedy, something good always seems to come out. But, we must face the responsibility for our actions and know that "God's grace is sufficient".

Special music was provided by Miss Vicki Nelson, accompanied by Mrs. Janie Harrell - a flute solo entitled "Jesus Paid It All". Vicki really made her flute talk - it was beautiful!

"May Play Day" held Saturday at the Rocky Hock Community Center and sponsored by the Chowan Arts Council was a real eye-opener! There was entertainment for everyone, regardless of age, all day long - and, such variety, from classical to bluegrass! There were many handicraft exhibits. Food and drinks were plentiful. This community day of activity was impressive. Community interest was vivid and I'm sure it broadened the cultural interest of the record crowd in attendance. Many thanks to all the fine folk who had a hand in this well organized event. It should happen more often!

Bandon Men's Fellowship Breakfast will be Saturday at 8 A.M. in Fellowship Hall. All men in the community are invited to attend. Come
