Social Security Report

By Lee Wallio

The Elizabeth City Social Security office is reviewing the status of the 2000 people who receive Supplemental Security Income (SSI) checks.

The review may be made through the mail in the form of a questionnaire that the recipient will be asked to complete and return to the Social Security office, or by telephone, or through a personal interview.

The purpose of the review is to make certain that recipients are still entitled to receive their monthly payments and that they are being paid in the correct amount.

These reviews are required by law and generally must be done each year and whenever a change occurs that affects eligibility or payment amount.

The questions asked during these contacts are similar to those asked when the recipient first applied for SSI.

The subjects covered will include income, assets, living arrangements, and bank accounts.

Those receiving payments on the basis of disability or blindness may also have to furnish information about their medical condition.

However, recipients should not wait to be contacted before reporting a change in their circumstances.

For example, a change of address or changes in family composition or income may affect monthly payments and must be reported promptly.

Failure to report changes in circumstances may result in an overpayment which the recipient will have to pay back.

A penalty may also be imposed for failure to report a change or for making a false statement.

Additional information about what and how to report may be obtained by calling the Elizabeth City Social Security office at 338-2161.

SSI is a federal needs-based program to provide payments to individuals who are either aged, blind, or disabled and who have limited income and assets.

Emphasis On The Peacemakers

Peace - the elusive goal of mankind. Peace - the great gift that the Christian community has to give to the world. Yet peace has been seen too often as something "I" have gotten from God. And to have it is enough. The Christian is the peacemaker for Peace. He or she knows what it means, how it was given, Who is behind Peacemaking and where and when it (peace) occurs. The Shalom of God, the Peace of God leads towards community national and international wholeness not just "saving one's soul." Peace, Shalom, is a relationship between God and Mankind that is illustrated by how one persons treats another in the store, on the street, in the factory, in the home, also, between nations, for their good. Fraud, embezzlement, graft, conspiracy to do evil, rapine, murder, hunger, war, cursing, abusing children, prostitution, drunkenness, fear, jealousy, arrogance, pride illustrate Peace-Shalom is not present. Sin is! "The Christian as Peacemaker" will be the sermon topic this Sunday at 11 A.M. at the First Presbyterian Church, Edenton.

Make friends whenever you have the opportunity: your enemies will make themselves.

The power of a smile is awesome.
