pointed out that Americans no longer have the advantage of settling into a particular lifestyle due to the ever-changing nature of society.

"Yet, there is an advantage to this insecurity," Evans said. "Our world changes so fast, it is difficult to stay wrong all the time!" Before the candidates

received their degrees, Chesson made two special, presentations. Jean T. Poston, former board of trustees chairman, received a plaque which expressed appreciation for her service to the college.

A second plaque and accompanying resolution was presented in memoriam to the family of the late Harriette M. Crump, COAdirector of resource and development, who was the victim of a fatal accident on May 3. Her sons, Wes Partin, 7, and Jake, 11, accepted the memorial for the family.

Norman L. Norfleet, dean of instruction, presented the candidates who received "their diplomas from Chesson and Andrew H.

Charles Everett. It has been a tremendous help at the school. Their conduct and classroom work have also improved."

In order for the program to survive it must maintain support from the community and the school. John A. Holmes signed an unlimited contract on provisions that if enrollment gets less than one hundred the program will receive a year probation. Enrollment is currently one hundred

forty. "With the commitment of the school system and the dedication of Doug (Chief Doug Campbell), it will survive,'' said Louis Belfield, also an assistant to the principal. It builds character and breeds responsibility. It changes their behavior because they are proud to don the uniform."

Commander Ryan says he is looking forward toward continued success in the program.

It is apparent that Ryan, a native of Cooperstown, N.Y., had made Edenton his home now, and has adjusted very well to the John A. Holmes system and to the community, in which he will raise his two children.

He is a graduate of LeMoyne College in Syracuse, N.Y. and received a master's degree from George Washington University in Washington, D.C.
