## Reflections From Bandon Notebook

Hi, Neighbors! Have you ever been really over-extended - that is, so much to do at home and so many obligations you just don't know where to start to get your house in order? That's my situation right now. But, I know with God's help and "Just a line to say I'm living, that I'm not among the dead, Though I'm getting more forgetful, and more "mixed up" in the head.

For, sometimes, I can't remember, when I stand at the foot of the stairs, If I must go up for something, or I've just come down from there.

"And before the Frig so often, my poor mind is filled with doubt, Have I just put food away, or have I come to take some out? And there's times when it's dark out, with my night cap on my head, I don't know if I'm retiring or just getting out of bed.

"So, if it's my turn to write you, there's no need in getting sore, I may think that I have written and don't want to be a bore. So remember - "IDO LOVE YOU" and I wish that you were here, But now, it's nearly mail time, so, I must say, "Good-Bye, my dear".

"There I stood beside the mail box, with a face so very red, Instead of mailing you my letter, I opened it instead!"

Prayer List: Prayer IS the most powerful force in this world to day and when

guidance, everything will fall in place.

When you find yourself in a similar situation, a good laugh always helps. So, I'm going to share with you this letter received by my neighbor's sister from her friend.

underwent open heart surgery at Norfolk General Hospital. The operation was successful but complications set in. Please say a special prayer for him and his family; Rev. Bennie Crawford was taken to Norfolk General Hospital, Norfolk, Va. on Sunday with a heart condition. His wife, Ruby, suffered a set back from the stroke she had some time ago and is at the home of a friend. Please pray that God will place His Healing hand upon both of them; Jack Mooney is confined to Chowan Hospital. We pray that he will be released soon; Conroy Perry is confined to Obici Hospital, Suffolk, Va., Roy Leary is in Chowan Hospital; Elton Boswell has been at Norfolk General Hospital for two weeks and needs your prayers; Gracie M. Wiriengo, sister of Mary Hendrick, underwent surgery Friday. Her address is Rt. 2, Box 326, Evingston, Va. 24550; Joan O'Neil's surgery was successful and she is now home for recuperation; please remember Fred F. Odell, Sr., Selma Lassiter; little Brad Gosser; Jessie Baines; Rachel and Larry Chandler; Mary Sigmon; Rex Jones; Caroline Swindell and J.W. Swindell; pray for our Nation, its leaders and its people; our missionaries and our Pastor, Rev. Robert S. Harrell and his family; and that peace will come soon between the United Kingdom and Argentina.

With the exception of the Elementary School Enrichment program, all classes will begin on June 18 and operate from 8 A.M. to 12 P.M. daily. The 1-6 Enrichment Program will begin June 28. July 5 will be observed as a holiday for all phases of summer school.

Ending dates for each program are staggered as follows: August 6 - the 7-12 secondary program and the driver education program; July 23 - the 1-6 enrichment program; and July 30 - the naval science course.

Locations also vary as follows: the Edenton - Chowan Alternative - 7-12 credit courses; Ernest A. Swain Elementary School - 1-6 enrichment classes; and John A. Holmes High School - Driver Education and Naval Science.

All summer school participants will be eligible for a free lunch, to be served at Swain School daily following classes. Transportation to and from school will be made available to all participants for a fee.

Jake Boyce, coordinator of summer school activities, stated that an excellent summer school program has been planned. He has expressed excitement particularly about the new type summer 1-6 enrichment program. A series of learning activities have been developed which will help children learn language and math skills without excessive use of paper, pencils and books.

## Summer School Registration Date Is Set

As over the past ten years, Edenton - Chowan Schools will once again sponsor a tuition - financed Summer School Program. The four pronged program will offer junior high school and high school courses for credit to 7-12 students, an enrichment program for students in grades 1-6, a Driver and Traffic Safety Education course for students between the ages of 14½ and 18 and a Naval Science course for anyone over 14 years old.

Pre-registration for all phases of summer school, except the 1-6 program, will be between 10 A.M. and 1:30 P.M., June 14 at John A. Holmes High School. Tuition fees for the secondary school credit courses are \$75 and must be paid at the time of registration. There is no charge for participation in the Driver Safety or the Naval Science courses to be taught. Students in the 1-6 program will have already been registered for the \$45 enrichment program.

The activities will include drawing, painting, crafts, physical games, drama and dance - all carefully designed to reinforce or develop reading comprehension, vocabulary, writing skills and problem solving abilities.

Boyce is also excited about the new naval science program offering. Participants are not required to be members of Holmes' NJROTC program to take the free course. Depending on the individuals preference, a student may concentrate in either maritime navigation or seamanship. Maritime navigation will cover the following areas: identification of selected start and planet, celestial navigation, the use of navigation publications and charts, and aids to navigation and rules of the nautical road. Maritime seamanship will cover nautica knots, signal flag communications, deck seamanship, boat and aircraft identification. A certificate will be presented to participants following successful completion of the course.

The summer school curriculum for 7-12 students who have failed a course will include language arts, math, biology, physical and - or consumer science. Emphasis will be placed on individualized instruction to meet students' needs in each area.

Anyone needing more information about any summer school area is requested to contact Jake Boyce at 482-4436.
