Pamela Spruill

Spruill Receives Prestigious Honor

The United States Achievement Academy announced that Pamela Spruill has been named a 1982 United States National Award winner in Business Education. This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 5 per cent of all American high school students.

Miss Spruill, who attends John A. Holmes High School, was nominated for this National award by Business teacher, Grace Byrum. Miss Spruill will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards for Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or counselor.

Miss Spruill is the daughter of David and Carolyn Spruill. The grandparents are Mrs. Annie Lawson of Edenton and Mrs. Elnora Spruill of Hertford.

Foundation Makes \$1000 Donation

The Friends of Elizabeth II have received a \$1,000 donation from the Macamor Foundation of Rocky Mount. The announcement of the donation was made by Fritz and Beverly Smith of Rocky Mount, board members of the Macamor Foundation and members of the America's Quadricentennial Corporation.

The Foundation has been very supportive of the celebration of America's four hundredth anniversary and was instrumental in securing Stanley Potter as the naval architect of the Elizabeth II.

The Elizabeth II is the representative, 16th century vessel that will be built in Manteo as part of America's 400th anniversary celebration. The Friends of Elizabeth II has been established as the support group to help with ongoing activities associated with the ship.

The funds were given to the Quadricentennial Corporation for use by the Friends of Elizabeth II. The money will be used to help incorporate the group and establish a sales shop. The Friends, now seeking non-profit status, will use future contributions and proceeds from the sales shop to help establish a sail training program, boat building workshops and other public programs to be associated with the Elizabeth II State Historic Site.
