Camden Firm Gets Award

F.P. Wood and Son, Inc., of Camden, has been recognized by Blue Cross and Blue Shield of North Carolina for 25 years continuous enrollment with the not-for-profit health services Plan.

George Wood, president of the firm, received a special plaque in recognition of F.P. Wood and Son, Inc.'s long-standing relationship with the Plan. Earl Britton, of Edenton, BCBSNC group sales representative, made the presentation on June 4.

Located on State Road 343, the farming, trucking and grain-buying operation signed up for Blue Cross and Blue Shield coverage for its nearly two dozen employees on June 1, 1957 long before Hospital Saving Association of Chapel Hill and Hospital Care Association of Durham consolidated to form Blue Cross and Blue Shield of North Carolina in 1968.

Blue Cross and Blue Shield of North Carolina is the 10th largest Blue Cross Plan and the 11th largest Blue Shield Plan in the nation. Through its underwritten and administered government programs, the not-for-profit health services plan serves approximately 2.5 million North Carolina citizens, or almost half of the state's total population.

East Recognized For Budget Votes

WASHINGTON, D.C. — Sen. John East, R-N.C., has been named "The Taxpayers' Best Friend" by the National Taxpayers Union for his votes to reduce federal spending.

The title was awarded to East based on NTU's annual congressional spending study which ranks members of Congress on how often they vote for reduced federal expenditures.

The study of 231 Senate roll call votes showed East voted for reduced spending 69 per cent of the time, the 12th highest score in the Senate.

Founded in 1969, NTU is a non-partisan, non-profit organization which advocates reduced taxation and lower federal spending.
