Revco's lower prescription prices can save you money.

We've filled over four hundred million prescriptions—all at a discount price. There's no better combination than your doctor's advice and a quality Revco prescription.

Save more with generic drugs. Ask your doctor if it's possible for him to specify a generic drug rather than a more expensive name brand. Revco can fill your prescription either way.

Extra savings for the people who need it most. Join our senior citizen or student club and receive an instant 10% discount on prescriptions.

We'll transfer your prescription. No matter where your prescription is being filled now, we'll call your doctor and arrange for it to be filled at Revco.
