

Mrs. Carroll Glenn Smith

Couple United In Marriage

On June 27, in an inspirational atmosphere of candlelight amidst white mums, gladioli, and pom poms, Miss Barbara Ann Wright became the bride of Carroll Glenn Smith at 3 P.M. in the First Christian Church in Edenton. The double ring ceremony was performed by the Rev. E.C. Alexander.

The bride is the daughter of Mrs. Cecil Alexander of Edenton. She is also the daughter of Mr. Bobby A. Wright of Edenton. The bridegroom is the son of Mr. and Mrs. Carroll Smith also of Edenton.

The groom met his bride mid isle and escorted her to the altar.

For her wedding day, the

bride chose a wedding gown of organza fashioned with an off the shoulder flounce at the neckline outlined with re-embroidered Chantilly lace. The diminutive lace bodice was enhanced by an empire silhouette. A full skirt and chapel length train was edged with a flounce that bordered in a self-scallop of lace on the top. Her gown was complimented by a finger tip veil of illusion arranged from a camelot headpiece trimmed in matching lace. She chose as her ornament a single strand of pearls. The bride carried a lovely bouquet of pink roses, daisies, pom poms, and baby's breathe.

Miss Tanner Joins Dad Mr. Nelson

Dr. and Mrs. James C. Tanner announce the marriage of their daughter, Dawn Suzanne, to Hugh Mac Ewen Nelson, III the grandson of Mr. and Mrs. Ralph E. Parrish. The wedding took place on June 19 at Trinity Episcopal Church in Pass Christian, Miss. with the Reverend H. MacDonald Morse performing the ceremony. The reception was held at "Merrywood" the home of the bride's parents. The bride attended Mississippi Gulf Coast Junior College and the groom attended Leonard Hall Naval Academy and is a graduate of Memphis State University. The newlyweds will reside in Memphis, Tenn.

Mrs. David Gregory Vaughn

Miss Gurnee, Mr. Vaughn United In Marriage

Miss Gail Renee Gurnee and David Gregory Vaughn were united in marriage at 3 P.M. on June 27 at Oakmont Baptist Church in Greenville, N.C. The double-ring ceremony was performed by Rev. E. Gordon Conklin.

The bride is the daughter of Mrs. Ruby M. Gurnee of Greenville. The bridegroom is the son of Mr. and Mrs. Frank G. Vaughn of Greenville.

The bride, given in marriage by Emmett H. Wiggins, wore a formal length gown of white tissue tafeta over peau de soie designed with a high neckline encircled with Alencon lace. The fitted bodice was enhanced with a yoke of sheer illusion accented with beaded Brussels lace outlined in re-embroidered Alencon lace beaded with pearls. Tissue Tafeta fashioned the short puff sleeves edged in Alencon lace. Self-fabric cording outlined the dropped waistline. The full skirt and attached semi-cathedral train were accented with re-embroidered Alencon lace edging. She wore a fingertip veil of illusion with pencil edging held in place by a Juliet cap overlaid in re-embroidered Alencon lace edging beaded with pearls. Applique's of Alencon lace were scattered over the illusion. The bride carried a round bouquet of white daisies, miniature white and yellow carnations, with baby breath, using ivy and baker fern greens, with white lace ribbons.

The Matron of Honor was Mrs. Donna Jordan, of Greenville, sister of the bride, and she carried a round bouquet of white and yellow daisies, using baby breath, ivy and baker fern greens, with yellow lace ribbon.

Bridesmaids were Miss Donna Brummitt of Oxford, N.C.; Miss Donna Keel of Edenton, N.C.; and Mrs. Carolyn Dickerson of Greenville, N.C. They carried round bouquets of yellow daisies, miniature white carnations, using baby's breathe, ivy and baker fern greens, with white lace ribbon.

The attendants wore formal length gowns of print organza in shades of blue, yellow and green, designed with a portrait neckline with ruffled Bertha collar and Empire bodice. The flared skirt of the sleeveless gown was accented by a deep ruffled flounce at the hemline overlaid by a Southern Belle pick up skirt, also featuring a ruffled flounce with side swag and rolled tie bow trim.

Mr. Frank G. Vaughn was best man for his son. Ushers were Chip Cayton of Greenville, N.C.; Jeff University, Washington, D.C.

Letter To The Editor

On behalf of the Chowan-Edenton Optimist Club I wish to express our deep appreciation and sincere gratitude to all the people in our community who helped make the third Annual Fabulous Fourth of July Festival in Edenton the success that it was. Once again our Nation has celebrated its Independence and it was aided by the same caliber of people who fought so valiantly in 1776.

The children's faces told of their glee throughout the

day. Some of our most elegant senior citizens conveyed their enjoyment and satisfaction to our members as they, too, participated in the day's events.

The Optimist Club salutes area citizens who displayed their support and admiration while making July 4, 1982 a day that will long be remembered.

Sincerely,
Mike McArthur, President
Chowan-Edenton
Optimist Club

Redmon Accepts

New Position

Miss Cheryl Ann Redmon, daughter of Ruth Redmon, has accepted a position with Ernst and Whinney, one of the "Big 8" public accounting firms. Miss Redmon will begin her employment July 14 as a member of the audit staff in the New York City office.

Cheryl recently graduated from North Carolina A&T State University in Greensboro, N.C., where she majored in Accounting. She graduated with the honor of Magna Cum Laude. She was also a 1978 graduate of John A. Holmes High School.

Slightly over 46 percent of the land in America is given over to agriculture.

OPTOMETRIST

How Diabetes Threatens Vision

If you have a history of diabetes in your family you are well advised to have regular eye examinations so any early signs can be detected. Diabetes is one of the greatest threats to vision and may lead to blindness unless it is properly controlled.

Diabetes can damage the circulation by causing degeneration of the lining and walls of the blood vessels. The microscopic capillaries are usually affected first. Then the damage extends to minute arteries and veins. When the blood vessels become weakened, tiny breaks allow bits of blood and serum to leak out into the surrounding tissues. This hemorrhaging often occurs in the retina at the back of the eye.

Diabetes can bring other symptoms such as blurred vision or a sudden need for a major change in your eye prescription. When there is more sugar than normal in the blood and in the ocular fluid, this causes a change in focus of the eye. Early cataract or inflammation of the iris may also be signs of diabetes.

Your best protection against this health problem and any others that may affect your eyes is to have periodic eye examinations in the interest of better vision

PUBLIC HEARING North Carolina Community Development Program Edenton, North Carolina

The Town of Edenton will hold a public hearing on Tuesday, July 13, 1982 at 7:00 P.M. in the Council Room of the Edenton Municipal Building located on South Broad Street.

The purpose of this hearing is to present the Town's application for Community Development Block Grant Funds under North Carolina's Small Cities Program to the public. Community revitalization activities proposed to be carried out with these funds will be described and open for discussion. All persons present will be given an opportunity to be heard. Written comments are encouraged, especially from residents of the target area, and will be received at this public hearing. The Town will respond in writing to written citizen comments within ten (10) days.

Persons wishing to object to the approval of the application by the N.C. Department of Natural Resources and Community Development should make such objection in writing. This Department will consider objections only for the following reasons:

- 1) The Town's description of the needs and objections is inconsistent with available facts and data.
- 2) The activities to be undertaken are inappropriate to meeting the needs and objectives identified by the Town.
- 3) The Town does not comply with the requirements of this program or other applicable laws.

Objectives shall include an identification of the requirements not being met and should be directed to the Division of Community Assistance, P.O. Box 27687, Raleigh, N.C. 27611.

Questions or comments concerning this program or application should be addressed to:

Samuel W. Noble, Jr. Administrator
Town of Edenton
P.O. Box 300
Edenton, North Carolina 27932
Telephone (919) 482-2155

Society News

Mr. and Mrs. Roger Leeper had a joyful Fourth at home in Edenton with their three children and 5 of their 6 grandchildren. The occasion was highlighted with the birthday of their son, Roger King Leeper. Those there were Mr. and Mrs. Gary T. (Ellen) Siddons - Stacey and Bill; Mr. and Mrs. M.L. (Mary) Pitts; and Mr. and Mrs. R.K. Leeper - Levi, Trisha and Michael. This is the first time in three years the family has been together.

Thumbsucking Or Pacifier?

If your infant has the thumbsucking habit, should you try to replace this habit with a pacifier?

All babies have a natural instinct to suck. But if the habit lingers beyond infancy, when the primary teeth are beginning to appear, you may want to give baby a pacifier. If you start the pacifier soon enough, just after your child has been weaned and is getting solid foods, your child may never develop the thumbsucking habit. You should ask your dentist to help you select the proper shaped pacifier.

Pacifiers have proved a lot less harmful to a child's teeth and mouth than sucking thumb or fingers. Thumbsucking may force your child's

teeth out of position and narrow the dental arches. This may cause the upper teeth to protrude outward because of a deformation of the supporting bone.

One advantage of the pacifier is that it is made of soft rubber, while thumb or fingers have an unyielding bone inside. They exert much more pressure than a pacifier, and are much more likely to cause dental problems.

A public service with the aim of promoting better dental health environment. From the office of: RICHARD N. HINES, JR., D.D.S., 437 South Broad St., Edenton Phone: 482-2776.
