

**Cystic Fibrosis Telethon**

Gary Smith has announced that Edenton Jaycees will be chairing a "satellite telephone station" for the Fifth Annual Cystic Fibrosis Telethon. The satellite station will be for the convenience of area citizens who would like to support the telethon effort without having to make a long distance call.

Co-sponsored by the New Bern Jaycees and Jayceettes and WCTI-TV, Channel 12, the telethon will be aired for 19 hours beginning at 11 P.M. on Friday, through 6 P.M. Saturday.

Television personalities Philip MacHale and Richard Shoberg will appear this year at the telethon. Shoberg is currently starring in ABC TV's "All My Children" as Tom Cudahy. Shoberg will perform during the telethon. MacHale will be appearing for the 5th consecutive year. MacHale is best known for his popular role as "Runner" in the Hardee's Restaurant commercials. Also, Donnie Weaver, 14 Karat Records recording artist will be performing his latest release, "I've Just Gotta Talk To You". Weaver is best known for his ABC million seller, "I'm A Girl Watcher".

"We are very pleased with the local talent this year. It is the best ever", added Smith. Approximately 50 talent acts from Eastern North Carolina are scheduled to appear on the telethon.

More than \$70,000 was raised last year's telethon. Smith explained that the funds are used for research, care and education to help those who suffer with cystic fibrosis. The Cystic Fibrosis Foundation supports the CF centers at Duke and N.C. Memorial Hospital and more than 125 other such centers in the United States.

Cystic fibrosis occurs 1 in 1600 live births. Approximately 260,000 adults in North Carolina carry the cystic fibrosis gene. When both parents are carriers of this gene, there is a 25 per cent chance with each pregnancy that their child will be born with cystic fibrosis. The average life expectancy for children born with cystic fibrosis is now 21 years.

**Fishing Tips**

From Tom Mann  
There are days when even the pros, guys who fish for a living like guides, and ol' Brer Tom, can't catch a fish using time-proved tactics. Nothing works, and the fish are scarcer than ticks on a bowling ball. What can you do?

Well, these are the times that yell for desperation tactics, as I call them. Out of the ordinary things that might trigger fish into striking whether they want to or not.

Like turning into a quiet bay and running your outboard close to the edge of lily pads, weeds, or brush. Be careful not to damage them with your prop, but bounce them around a bit to shake loose little critters, and algae, that cling there. Then, go back and fish these spots because minnows will be feeding on the stuff you shook loose and larger fish often come to feed on the minnows. If you're wading, find a stob and stir up the bottom to free larve, crustacea, and other creatures fish feed on. In short, start your own fish smorgasbord and invite them in for lunch while you feed them you pet lures!

Brer Tom's Closing Tip: There are days when no one can catch fish except some folks who lie about it. There is one sure way, though. Stop by the fish market on your way home and ask the man to toss your wrapped fish to you so you can truthfully say you caught them!

In the good old days a government could spend a million dollars and have something to show for it.  
Grit.
