

### Albemarle Resource Conservation And Development Committee Joint Meeting

**TOUR GROUP**—Pictured is the tour group as they view different conservation measures at the Tide Water Research Station.

According to Chairman, L. C. Bunch, the Albemarle Conservation District and the Albemarle Resource Conservation and Development Committee held their annual joint meeting last Tuesday at the Soundview Restaurant. District Supervisors, RC&D Council members and several guests attended the morning business session and luncheon followed by an afternoon tour. One of the first stops on the tour was the Tide Water Research Station in Plymouth. Here, the group observed some of the newer water management techniques such as drainage systems that also serve for irrigation. Water control measures are used to hold back water in the drainage canals for irrigation. The water can be released when drainage is needed. Underground drain tile is also used in the fields for both drainage and irrigation.

Bunch says, "Dr. Wayne Skaggs of N.C. State University is researching these techniques. He has also found that retaining water in the ditches helps reduce nitrogen content in the water. This will improve the quality of released water."

The tour also stopped at Roper School where the group saw a drainage measure developed through the Resource Conservation and Development (RC&D) program. This drainage around the school site was funded about 85 per cent federally and 15 per cent locally. A similar proposal is being planned for Union School in Winfall.

"This annual tour is designed to show local officials and the general public some of the work available through the Conservation District and the RC&D Development Committee," Bunch concluded.

### Winn-Dixie Reports Earnings

Sales exceeding \$6.7 Billion and the prospect of record earnings for fiscal 1982 were reported by Winn-Dixie Stores, Inc., largest Sunbelt retailer.

The supermarket chain's volume totaled \$6,764,472,000 for the 53 weeks ended June 30, 1982, a gain of \$564,305 or 9.1 per cent over the 52 week previous year. After adjusting for the extra week, the increase was 7.1 per cent.

Commenting on results

for fiscal year 1982, President Bert L. Thomas said: "We expect net earnings to show another year of increase when final financial results are available later this month."

During fiscal year, 1982 Winn-Dixie opened 40 new stores, closed 38, and had 1,222 in operation at June 30. 101 stores were substantially remodeled during the year and 32 of these were enlarged.

A sales advance was also posted for the first four

weeks of the 1983 fiscal year. Sales for the period ended July 28 were \$30,610,000 compared to \$486,061,000 an increase of \$44,529,000 or 9.2 per cent over the previous year.

Although The Hague is the seat of the Netherlands government, the capital is actually Amsterdam and it is here that coronations take place.

### Nixon Hollowell Reunion

The Nixon Hollowell Family had a reunion for the fifth consecutive year in the Fellowship Hall of Great Hope Baptist Church at 1 P.M. August 8 with 61 relatives and 3 friends. A covered dish luncheon was enjoyed, and many pictures were taken by several.

Mrs. Robert Hollowell had charge of the occasion, assisted by all the other families. She presided, and asked Rev. Ray Hollowell to Return Thanks after Greetings.

First, he led in singing: "Happy Birthday to you, — Sister Elizabeth whose birthday was August 1, and to his son, James whose birthday was August 3, three years old this year.—"We hope you have many more."

To the same tune was sung: "We Welcome You, Miss Minnie, We Welcome you, Cousin Minnie, We're glad you came today." (2nd).

Her Grandmother, Rachel Hollowell Davis, and John B. Hollowell were sister and brother of the same parents, Daniel and Elizabeth G. Hollowell; our "Great Grandparents" according to The 1850 Census, and Family Records, which also included sisters, Mary, Sarah, Sabra Louise, and Christian.

To the same tune he led in singing: "Happy Anniversary to you, Alverta and Earl, 34th." May you have many more."

Next, they sang "Happy Anniversary, to you, Alvin and Shirley, 25th, Keep up the Good Work." The fellowship was one to be remembered. Some discussed earlier family events, reminiscing, some looked at old pictures, some observed the improvement of the Sanctuary and Sunday School rooms.

Some read the Monuments in the Church Cemetery and remembered. Several took many pictures of different groups.

Those present were: Walton and Elizabeth Lane, Arnold, Nancy, and Rob Winslow, Dianne Jordan and Leslie Ervin, Wilbur Ray, Anne, Wayne, Martha Anne, Emily, and Richard Bass; Ray Bass and Thomissa Winslow; Miss Minnie Hollowell of Edenton; Julian and Ruth Powell; Alvin, Shirley, Janet, and Celia Hollowell, Wilbur Byrum, Billy, Elsie, and Walter Copeland.
